## House Journal

First Regular Session, 90th General Assembly

SIXTY-FOURTH DAY, Wednesday, May 5, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Gracious God, You have made heaven and earth, and all that is good and splendid. And into each life You give a measure of faith and joy.

As the members of this House, and the staff of this House, work to bring finality to this session, bless them with the knowledge that they have the faith, joy, the stamina and patience to conclude their work.

Grant that their work in this chamber may not only conclude, but conclude well. Bless all who labor here with a light touch, humor in their hearts, and faith in Your care. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Daniel Bley, Susanne Green, Alex Gordon, Sammy Jo Leedre, Sadie Weiss, John Gogarty, Alex Stojeba, Andrew Welker, Temeka Abraham, Jerry Morgan, Marquita Hill, Jeremy Green, Tony Sieve, Elisha Leong, Katie Miller, David Trigg, Katie Sybert, Hilari Gray, Brittanie Waegle, Kelsey Klostermeyer, Kristin Langemach, Will Daniels, Jessica Lankford, Colton Schwab, Easton Schwab, Zachary Schwab, Braydon Schwab, Aaron Turner, Hannah Plowman and Josie Plowman.

## House Journal

First Regular Session, 90th General Assembly

SIXTY-FIFTH DAY, Thursday, May 6, 1999

Representative Graham (24) in the Chair.

Prayer by Pastor Ivan Horn.

On a day when our national legislative body has set aside a time for prayer, may we acknowledge, uphold and defend always our right to worship and walk our faith journey according to how we are led by our God or supreme higher being. As people of variety faith heritage, a legislative body and citizens of the State of Missouri, may we pause for moments of silence and meditation directives: For the discernment You have given us to lay hold of things unseen; for the strong sense we have that this world is not our own but is Your gift to us; for our restless hearts, which nothing finite can satisfy; for all those in our nation and world where tragedy, devastation, loss, and death has been experienced such as tornadoes, floods, violence and war.

O God of us all, whose nature is to be gracious, amazingly gracious, help us -- in our self-congratulation for our presence here this morning, for the progress we have made in our spiritual journeys, for our resistance of temptation to think we are doing everything on our own. Help us to always remember that we are here by Your grace.

You have called us, forgiven us, enabled us to be Your followers. Yet so easily we confuse Your graciousness with our virtues. We too quickly remember the sins of others and judge others on the basis of our beliefs and forget our own weaknesses. We take pride in our achievements, overlooking our failures, magnifying the shortcomings of other. Forgive us for our betrayals of Your grace. Give us some measure of Your expansive, inclusive love so that, in some way, we might see others as You see them and see ourselves as You see us. We pray this House of Representatives, elected by the citizens of Missouri, may be led and guided to work through the issues of finances and human resources so all in our state, as well as the world, may benefit because of legislation and action taken by this body. As we pray and make decisions that affect others, may we always acknowledge how marvelous and amazing is Your grace. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Scott Davis, Sarah Davis, Casey Poola, Cheree Suttan, Morgan Fraley, Cherron Suttan, Luke Miller, Jared Heid, Annmarie Vilkins, Gina Garber, Whitney Zanter, Danielle Ross, Lee Murdock, Laura Harter, Katie Eagan, Eric Sappington, Philip Morales, Danielle Welch, David Griffith, David Ledbetter, Toni Richter, Brian Arnold, Caitlin Eilenberg and Jared Halpin.

The Journal of the sixty-fourth day was approved as corrected.

However, a member eligible to receive a lump sum death benefit as provided in subsection 4 of section 104.515 shall be entitled to convert any amount of terminated life insurance benefit in excess of the benefit provided in said section.

2. (1) In addition to the life insurance authorized by the provisions of subsection 1 of this section, any person for whom life insurance is provided or contracted for pursuant to such subsection may purchase, at the person's own expense and only if monthly voluntary payroll deductions are authorized, additional life insurance at a cost to be stipulated in a contract with a private insurance company or as may be required by the system if the board of trustees determines that the system should provide such insurance itself. The maximum amount of additional life insurance which may be so purchased on or after January 1, 1998, is that amount which equals six times the amount of the person's annual compensation, except that if such maximum amount is not evenly divisible by one thousand dollars, then the maximum amount of additional insurance which may be purchased is the next higher amount evenly divisible by one thousand dollars. The selection of a private insurance company to provide this life insurance shall be on the basis of competitive bidding.

(2) Any person defined in subdivision (1) of this subsection retiring on or after September 1, 1988, may retain an amount not to exceed ten thousand dollars of life insurance following the date of his or her retirement if such person makes written application for such life insurance at the same time such person's application is made to the board for retirement benefits. Any person, defined in subdivision (1) of this subsection, retiring on or after May 1, 1996, may retain an amount not to exceed sixty thousand dollars of life insurance following the date of the person's retirement if such person makes written application for such life insurance at the same time such person applies to the board for retirement benefits. Such life insurance shall only be provided if such person pays the entire cost of the insurance, as determined by the board, by allowing voluntary deductions from the member's monthly retirement benefits.

(3) Effective January 1, 1998, in addition to the life insurance authorized in subsection 1 of this section, any person for whom life insurance is provided or contracted for pursuant to such subsection may purchase, at the person's own expense and only if monthly voluntary payroll deductions are authorized, life insurance covering the person's children or the person's spouse or both the person's children and the person's spouse at coverage amounts to be determined by the board at a cost to be stipulated in a contract with a private insurance company or as may be required by the system if the board of trustees determines that the system should provide such insurance itself."; and

*House Amendment No. 8*

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 308 & 314, Page 17, Section 104.344, Line 11 of said page, by adding after all of said line the following:

"104.370. 1. Any member of the general assembly who has served at least three full biennial assemblies as a member of the general assembly and who meets the conditions for retirement at or after the member's normal retirement age shall be entitled to a normal annuity in a monthly amount equal to one hundred fifty dollars multiplied by the number of biennial assemblies in which such member has served. For the purpose of calculating benefits due under this subsection:

(1) Service in any portion of a biennial assembly after service in at least three biennial assemblies shall be credited as service in a full biennial assembly; and

(2) Any person who is elected as a member of the general assembly at a special election and who serves the remainder of that term to which he was elected at such special election shall receive credit for a full biennial assembly for such service.

2. If a member of either retirement system established by this chapter, who has served at least three full biennial assemblies as a member of the general assembly, is elected to a state office, appointed to a state office, or employed by the state before, after, or before and after his service as a member of the general assembly, the member may, at the end of such employment, receive upon retirement, at or after the member's normal retirement age, the amount which shall be due the member for creditable service as a member of the general assembly. If he has not fully vested as a result of his employment as other than a member of the general assembly, he shall be credited with additional service as a legislator just as though all of the service combined had in fact been rendered as a member of the general assembly and receive a normal annuity. If the member retires before normal retirement age, the member shall receive the actuarial reduction approved by the board. Nothing in this section shall allow any member to simultaneously accumulate service in more than one state retirement system as a member of the general assembly and an employee or state officer.

3. A member who has fully vested as a state officer or employee and has service as a member of the general assembly of less than three full biennial assemblies, upon retirement, at or after the member's normal retirement age, shall be credited with additional service as a state officer or employee for the time he served as a member of the general assembly. If the member retires before normal retirement age, he shall receive the actuarial reduction approved by the board.

4. Any member of the general assembly who has served at least three full biennial assemblies and whose service as such terminates on or after October 1, 1984, and who served as an employee, as that term is defined in section 104.010, prior to the respective dates on which the retirement systems to which such sections apply originally became effective, but was not such an employee on such dates, shall be entitled to the creditable prior service that such employee would have been entitled to in either or both systems had such employee become a member on the date of inception of either or both systems. The maximum number of years of creditable prior service to which a member may become entitled pursuant to this section is less than ten years. The benefits attributable to such service shall be calculated as if all service was rendered as a member of the general assembly.

5. Any former member of the general assembly who is receiving benefits under the provisions of this section shall, upon written request to the board, be made, constituted, appointed and employed by the board as a special consultant on the problems of retirement and other related matters and shall upon request of the board give opinions in writing or orally in response to such requests. As compensation for such services, the retired member shall have his retirement benefits recalculated the first of the month next following his application under this subsection to reflect that any portion of a year of creditable service shall be counted as one full biennial session.

6. Any retired member who is receiving benefits from the system and is elected to the general assembly but does not serve at least three biennial sessions shall receive creditable service for the time he served in the general assembly and upon leaving the general assembly shall have an additional benefit calculated using such service.

7. Benefits paid for service credited to legislative service shall be funded as provided in section 104.436.

8. Any former member of the general assembly not retired on August 28, 1994, who is fifty-five years of age or more and who has creditable service in the general assembly of at least three full biennial assemblies and has not used such services as creditable services in any other retirement system shall be made and employed by the board as a special consultant on the problems related to retirement and shall, when requested by the board, give opinions either written or orally on such problems. As compensation for such duties the former member of the general assembly shall be entitled to retire with a normal annuity effective the first of the month following receipt by the board of a written application.

9. Notwithstanding any other law to the contrary, any active member of the Missouri state employees' retirement system who is vested, on August 28, 1994, under the provisions of subsection 1 of this section, and who has served as an elected county official and who, by virtue of such service was a member of a retirement system other than the Missouri state employees' retirement system but was not vested in such other retirement system, or was not a member of any retirement system, shall receive creditable prior service in the Missouri state employees' retirement system for such previous service as an elected county official.

**10. Notwithstanding any other provision of this chapter to the contrary, any member of the general assembly initially sworn in on or after January 1, 2000, shall not be eligible to receive any retirement benefits otherwise payable pursuant to this chapter. The provisions of this subsection shall not apply to any service rendered prior to January 1, 2000.";** and

Further amend said bill, section 104.1084, page 102, line 1 of said page, by adding after all of said line the following:

**"9. Notwithstanding any other provision of this chapter to the contrary, any member of the general assembly initially sworn in on or after January 1, 2000, shall not be eligible to receive any retirement benefits otherwise payable pursuant to this chapter. The provisions of this subsection shall not apply to any service rendered prior to January 1, 2000.";** and

Further amend title and enacting clause accordingly.

## House Journal

First Regular Session, 90th General Assembly

SIXTY-SIXTH DAY, Friday, May 7, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Father Donald Lammers.

This morning we came in under cloudy skies, with plentiful water and moisture all around us, perhaps an excess and some flooding. Let us pray!

"O God, You have visited the land and watered it; Greatly have you enriched it. God's watercourses are filled; You have prepared the grain. Thus have you prepared the land: drenching its furrows, breaking up its clods. Softening it with showers, blessing its yield." (Psalm 65:10-11)

Lord God, Father of all, Your gift of water is a marvelous blessing through which You sustain our very life. Through its wrongful use and through calamity of nature, water too quickly brings death. Protect us from these evils.

Lord God, as through water, so through our work and our decisions, great good can come to others. As the rivers guide the way of water, may Your Holy Spirit guide our work and our decisions, so that good may come to the people, and the common good be enhanced. Protect us from mistakes and from bad decisions that could result in undue burdens or even harm for our people. Bless us with Your mercy and Your grace as with the coolness of fresh water. You are our God, forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Madeline Held, Mike Todd, Jared Stiegman, Erica Hoffmeister, Sean Kelleher, Casey Boyer, David Giaco, Megan Weddell, Meredith Gibbons, Jessica Wells, Lloyd Ford, Mandy Piotraschke, Tabitha Riordan, Ryan Menley, Patrick Lewis, Stacye Garrett, Sarah Nicole Franklin, Lauren Paige Franklin and T. C. Freeman.

The Journal of the sixty-fifth day was approved as corrected.

"95.530. In all cities not within a county, the mayor, the comptroller and the treasurer shall constitute the funds committee, and the treasurer, by virtue of his office, shall serve as chairman of such committee. The committee shall annually select a bank or banks, or trust company or trust companies, or credit union or credit unions, savings and loan or savings and loans, which has its principal place of business in Missouri referred to hereafter as "listed institutions", for the current deposit of the city's funds, which in their opinion will be most commensurate with the safety thereof. The treasurer, as chairman, shall supervise the business of the committee and maintain records of committee proceedings, and shall call annual meetings or any other meeting as often as the business of the city may require. The treasurer shall be a member of any financial planning or decision making body or committee furthering the needs of the city's financial business, except the legislative and appropriating bodies. The treasurer, by virtue of his office, shall sit on any committee or group which deals with the issuance of bonds of the city or any agency or instrumentality thereof. The treasurer shall serve as the chief investment and cash management officer of the city and, as such, act as the sole investment authority on any investments of public funds held by the city or any instrumentality thereof, including funds derived from proceeds from the issuance of bonds and funds from proceeds from lease/purchase agreements. Such investments shall be made in a manner consistent with investment policies approved by the funds commission, and with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of capital and income to be derived. The treasurer shall ensure the safety of all funds held by the city or any instrumentalities thereof and, upon the approval of the funds commission and reasonable notice, may assume control of any accounts not managed in compliance with state law, serve as the custodian of any funds held in such accounts and take any other measures reasonably required to ensure the preservation of public funds and compliance with applicable law. The funds commission, also known as the "funds committee", shall approve all financial institutions for any banking services required by the city pursuant to investment policies and evaluation criteria set by the treasurer and approved by the funds commission. At least once per year, the treasurer and the city's external auditors shall report to the comptroller on the city's compliance with this section. Any state or municipally created agency [or], city-wide elected officials **or any instrumentality thereof** working in cooperation with the city in the collection, management, investment or disbursement of governmental funds, shall annually report a listing of all listed institutions accounts, including a list of all pledged collateral, to the fund committee. **Any financial institution acting as a depository or custodian of public funds for any state or municipally created agency, city-wide elected official or any instrumentality thereof working in the collection, management, investment or disbursement of governmental funds shall annually report to the funds committee.** Such agencies, elected officials and [agencies] **instrumentalities** shall, during the interim period, report any change or transfer or establishment of new accounts or changes in collateral to the fund committee within ten days of doing so. **Financial institutions, when requested by the funds committee, shall verify such information.** Before any deposit shall be made by the treasurer in any listed institution, the institution shall give a bond in an amount equal to the deposit, with good and sufficient sureties, to be approved by the

unanimous vote of the members of the funds committee, for the safekeeping and prompt payment of such funds, or any part thereof, when demanded by the treasurer, and shall at all times keep the sureties on such bond satisfactory to the funds committee. In lieu of or in addition to such bond, listed institutions may, with the unanimous consent of the members of the funds committee, deposit with the treasurer of such city or with some other mutually satisfactory depository in such city, in escrow, bonds or treasury certificates of the United States or other interest-bearing obligations guaranteed as to both principal and interest by the United States or agency or instrumentality thereof in accordance with the approved collateral securities maintained and approved by the state treasurer, or bonds of the state of Missouri or of any city not within a county, of a par value equal to the amount of such deposit, or any part of such deposit not protected by such bond. The securities so deposited shall, in case of default by any such listed institution, be taken possession of by the funds committee, and to the extent required to make good such default, be sold for the benefit of such city. Any securities so deposited may, with the unanimous consent of the members of the funds committee, be withdrawn, and others of equal value and amount substituted therefor. As the amount of such funds on deposit is reduced, listed institutions, when not in default, shall be permitted to withdraw the excess of collateral, except that there shall at no time be a less amount in par value of collateral than the amount at such time of deposits. The securities so deposited or any substitute therefor, shall, upon default, be exhausted before recourse shall be had against the securities upon any bond executed by listed institutions for the protection of such deposits. In lieu of or in addition to such deposit of city funds in listed institutions, the treasurer may invest funds belonging to such city and not immediately needed for the purpose to which such funds or any of them may be applicable, in [obligations of the United States government or any agency or instrumentality thereof, or bonds of the state of Missouri, any city not within a county, or time certificates of deposit, except that no such bonds or treasury certificates of the United States or bonds of the state of Missouri, any city not within a county, or time certificates of deposit shall be purchased by the treasurer at any time at a price in excess of the par value thereof] **accordance with section 15, article IV of the Missouri Constitution**. 6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. *Senate Amendment No. 5*

AMEND Senate Committee Substitute for House Bill No. 401, Page 9, Section 191.265, Line 8-10, by striking all of said lines, and inserting in lieu thereof the following:

2. **"Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 191.250 to 191.265 or Section 376.685, RSMo, shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void."**; and

First Regular Session, 90th General Assembly

SIXTY-SEVENTH DAY, Monday, May 10, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Representative Sam Berkowitz.

Heavenly Father, grant perfect peace to our people and their leaders, to our teachers and their disciples, to all of us here who work so hard to better the people of Missouri, here in this wonderful country and in all other lands. Let there be grace and kindness, compassion and love for them and for us all. Grant us fullness of life and sustenance; save us from all danger and evil. Baruch atau adonai elohanu melach haolam, blessed are You, O Sovereign our God, ruler of the universe. You are the fountain of all life, Your light illuminates our lives. Bestow loving kindness upon those who love You, and Your righteousness upon the truly upright. This day and every day, O Lord, may we find grace, love and wisdom in Your sight and in the sight of all who look upon us. Grant us a full measure of kindness. And let us say. Amen.

*House Amendment No. 7*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 386, by repealing Sections 375.1205, 375.1220, 379.316, 379.321, 379.425 and 379.888, and enacting in lieu thereof the following:

375.1205. 1. Within one year of a final [determination of insolvency] **order of liquidation** of an insurer by a court of competent jurisdiction of this state, the liquidator [may] **shall** make application to the court for approval of a proposal to [disburse assets out of marshaled assets, from time to time as such assets become available,] **make early access disbursements out of marshaled assets** to a guaranty association or foreign guaranty association having obligations because of such insolvency. [If the liquidator determines that there are insufficient assets to disburse, the application required by this section shall be considered satisfied by a filing by the liquidator stating the reasons for this determination.]

2. Such proposal shall at least include provisions for:

(1) Reserving amounts for the payment of expenses of administration and the payment of claims of secured creditors, to the extent of the value of the security held, and claims falling within [classes 1 and 2] **priority class I as** established in section 375.1218;

(2) **Initial** disbursement of the assets marshaled to date, **which shall be as soon as practicable and in any case not later than one hundred twenty days after the approval of the early access plan**, and subsequent disbursement of assets [as they become available] **which shall be at least annually**;

(3) [Equitable allocation of disbursements to each of the guaranty associations and foreign guaranty associations entitled thereto;

(4)] The securing by the liquidator from each of the guaranty associations or foreign guaranty associations entitled to disbursements pursuant to this section of an agreement to return to the liquidator such assets, together with income earned on assets previously disbursed, as may be required to pay claims of secured creditors and claims falling within the priorities established in [section] **sections 375.700 and 375.1218** in accordance with such priorities. [A] **No** bond or indemnity agreement shall be required of any such association; [and

(5)] **(4)** A full report to be made by each guaranty association or foreign guaranty association to the liquidator accounting for all assets so disbursed to the association, all disbursements made therefrom, any interest earned by the association on such assets and any other matter as the court may direct[.]; and

(5) Disbursements to guaranty associations in sums as large as possible, subject to the limitations set forth in subdivision (1) of this subsection and subsection 4 of this section. If the liquidator determines that there are insufficient assets to disburse at the time of any required disbursement, the liquidator shall make application to the court, with notice to the state insurance commissioners and guaranty associations pursuant to subsection 6 of this section, for approval of an intent not to disburse, stating the reasons for such determination.

3. [The liquidator's proposal may provide for disbursements to the guaranty association or foreign guaranty associations in amounts estimated at least equal to the claims payments made or to be made thereby for which such associations could successfully assert a claim against the liquidator, and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of such claim payments made or to be made by the association, then disbursements shall be in the amount of available assets.] **Subject only to the provisions of subdivision (4) of subsection 2 of this section, guaranty associations shall not be charged interest on assets disbursed pursuant to this section.**

**4. The liquidator's proposal shall provide for disbursements to each guaranty association of foreign guaranty associations in amounts at least equal to the sum of claims payments and allocated lost adjustment expenses of each guaranty association, and a reasonable estimate of reserves for unpaid but known loss claims and allocated loss adjustment expenses expected to be paid within one year by each guaranty association. Amounts used for such calculation shall be those reported to the liquidator by each guaranty association in its most recent financial report to the liquidator. The liquidator's proposal shall further provide that if the assets available for required disbursements do not equal or exceed the amount of such claim payments to be made by the association, the required disbursements may be in the amount of available assets. Unless otherwise provided by the court, the reserves of the insolvent insurer, as reflected in its records or in the financial examination leading to the finding of insolvency, on the date of the final order of liquidation, shall be used to determine the initial disbursement to the guaranty associations. The liquidator shall liquidate the assets of the insurer in an expeditious manner, but is not required to make forced or quick sales that would result in obtaining less than market value for assets.**

[4.] **5.** The liquidator's proposal shall, with respect to an insolvent insurer writing life or health insurance or annuities, provide for disbursements of assets to any guaranty association or any foreign guaranty association covering life or health insurance or annuities or to any other entity or organization reinsuring, assuming or guaranteeing policies or contracts of insurance [under] **pursuant to** the laws creating such associations.

[5.] **6.** Notice of [such] **each** application shall be given to [the] **each** guaranty association or foreign guaranty associations in and to the commissioners of the insurance departments of each of the involved states. Any such notice shall be deemed to have been given when deposited in the United States mail, certified delivery, first class postage prepaid, at least thirty days prior to submission of such application to the court. Action on the application may be taken by the court provided the above required notice has been given [and provided further that the liquidator's proposal complies with subdivisions (1) and (2) of subsection 2 of this section].

**7. The liquidator shall not offset the amount to be disbursed to a guaranty association or a foreign guaranty association by the amount of any special deposit or any other statutory deposit or asset of the insolvent insurer held in this state or another state unless such deposit has been forwarded to the guaranty association.**

375.1220. 1. The liquidator shall review all claims duly filed in the liquidation and shall make such further investigation as [he] **the liquidator** shall deem necessary. [He] **The liquidator** may compound, compromise or in any other manner negotiate the amount for which claims will be allowed, under the supervision of the court, except where the liquidator is required by law to accept claims as settled by any person or organization. Unresolved disputes shall be determined [under] **pursuant to** section 375.1214. No claim under a policy of insurance shall be allowed for any amount in excess of the applicable policy limits or without regard to policy deductibles.

2. If the fixing or liquidation of any claim or claims would unduly delay the administration of the liquidation or if the administrative expense of processing and adjudication of a claim or group of claims of a similar type would be unduly excessive when compared with the moneys which are estimated to be available for distribution with respect to such claim or group of claims, the determination and allowance of such claim or claims may be made by an estimate. Any such estimate shall be based upon an actuarial evaluation made with reasonable actuarial certainty or upon another accepted method of valuing claims with reasonable certainty.

**3. The estimation of contingent liabilities permitted by subsection 2 of this section or any other section of this chapter may be used for the purpose of fixing a creditor's claim in the estate, and for determining the percentage of partial or final divided payments to be paid to creditors with reported allowed claims. However, nothing in subsection 2 of this section or any other section in this chapter shall be construed as authorizing the receiver, or any other entity, to compel payment from a reinsurer on the basis of estimated incurred but not reported losses and, except with respect to claims made pursuant to section 375.1212, outstanding reserves. Nothing in this subsection shall be construed to impair any obligation arising pursuant to any insurance agreement.**

**4. Notwithstanding the provisions of this section or any other section of this chapter to the contrary, the liquidator may negotiate a voluntary commutation and release of all obligations arising from reinsurance contracts or other agreements.**

**5. The provisions of this section shall not apply to and have no force and effect regarding any formal delinquency proceeding in which, prior to the effective date of this act, the court in which such proceeding was or is pending issued any order or decree construing or applying the provisions.**

379.316. 1. Section 379.017 and sections 379.316 to 379.361 apply to insurance companies incorporated [under] **pursuant to** sections 379.035 to 379.355, section 379.080, sections 379.060 to 379.075, sections 379.085 to 379.095, sections 379.205 to 379.310, and to insurance companies of a similar type incorporated [under] **pursuant to** the laws of any other state of the United States, and alien insurers licensed to do business in this state, which transact fire and allied lines, marine and inland marine insurance, to any and all combinations of the foregoing or parts thereof, and to the combination of fire insurance with other types of insurance within one policy form at a single premium, on risks or operations in this state, except:

(1) Reinsurance, other than joint reinsurance to the extent stated in section 379.331;

(2) Insurance of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured [under] **pursuant to** marine, as distinguished from inland marine, insurance policies;

(3) Insurance against loss or damage to aircraft;

(4) All forms of motor vehicle insurance; and

(5) All forms of life, accident and health, and workers' compensation insurance.

2. Inland marine insurance shall be deemed to include insurance now or hereafter defined by statute, or by interpretation thereof, or if not so defined or interpreted, by ruling of the director, or as established by general custom of the business, as inland marine insurance.

**3. Commercial property and commercial casualty insurance policies which meet the exemption requirements of section 379.362 shall be exempt from those insurance laws of this state which concern the regulation by the director of the department of insurance of the policy language, policy provisions or the format of such policies, or the regulation of the rates used to calculate the amount of premium charged.**

379.321. 1. Every insurer shall file with the director, except as to **commercial property or commercial casualty insurance as provided in subsection 6 of this section and as to** inland marine risks which by regulation or general custom of the business are not written according to manual rates or rating plans, every manual of classifications, rules, underwriting rules and rates, every rating plan and every modification of the foregoing which it uses and the policies and forms to which such rates are applied. Any insurer may satisfy its obligation to make any such filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings and by authorizing the director to accept such filings on its behalf, provided that nothing contained in section 379.017 and sections 379.316 to 379.361 shall be construed as requiring any insurer to become a member of or a subscriber to any rating organization or as requiring any member or subscriber to authorize the director to accept such filings on its behalf. Filing with the director by such insurer or licensed rating organization within ten days after such manuals, rating plans or modifications thereof or policies or forms are effective shall be sufficient compliance with this section.

2. Except as to **commercial property or commercial casualty insurance as provided in subsection 6 of this section and as to** contracts or policies for inland marine risks as to which filings are not required, no insurer shall make or issue a policy or contract except [in accordance with] **pursuant to** filings which are in effect for that insurer or [in accordance with the provisions of] **pursuant to** section 379.017 and sections 379.316 to 379.361. Any rates, rating plans, rules, classifications or systems, in effect on August 13, 1972, shall be continued in effect until withdrawn by the insurer or rating organization which filed them.

3. Upon the written application of the insured, stating his **or her** reasons therefor, filed with the insurer, a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk.

4. Every insurer which is a member of or a subscriber to a rating organization shall be deemed to have authorized the director to accept on its behalf all filings made by the rating organization which are within the scope of its membership or subscribership, provided:

(1) That any subscriber may withdraw or terminate such authorization, either generally or for individual filings, by written notice to the director and to the rating organization and may then make its own independent filings for any kinds of insurance, or subdivisions, or classes of risks, or parts or combinations of any of the foregoing, with respect to which it has withdrawn or terminated such authorization, or may request the rating organization, within its discretion, to make any such filing on an agency basis solely on behalf of the requesting subscriber; **and**

(2) That any member may proceed in the same manner as a subscriber unless the rating organization shall have adopted a rule, with the approval of the director:

(a) Requiring a member, before making an independent filing, first to request the rating organization to make such filing on its behalf and requiring the rating organization, within thirty days after receipt of such request, either:

a. To make such filing as a rating organization filing[, or];

b. To make such filing on an agency basis solely on behalf of the requesting member[.]; or

c. To decline the request of such member; and

(b) Excluding from membership any insurer which elects to make any filing wholly independently of the rating organization.

5. Any change in a filing made [under the provisions of] **pursuant to** this section during the first six months of the date [said] **such** filing becomes effective shall be approved or disapproved by the director within ten days following [his] **the director's** receipt of notice of such proposed change.

**6. Commercial property and commercial casualty insurance policies which meet the exemption requirements of section 379.362 shall adhere to the filing requirements of this section, provided however, that the filings for such policies shall be for informational purposes only. Therefore, all manuals of classifications, rules, underwriting rules, rates, rate plans and modifications, policy forms and other forms to which such rates are applied, shall be filed with the director for policies which meet the exemption requirements of section 379.362. Such filings shall be made with**

the director within thirty days after such materials are used by the insurer, but such policies and rates need not be reviewed or approved by the department of insurance as a condition of their use. Nothing in this subsection shall require the filing of individual policies or the rates related thereto where the original policy forms, manuals, rates and rules for the insurance plan or program to which such individual policies conform have already been filed with the director.

**379.362. 1. Commercial property insurance and commercial casualty insurance policies shall be exempt from those provisions of sections 379.316 to 379.361, 379.420 to 379.510 and 379.888 which concern regulation by the department of policy language, policy provisions or the format of such policies, or the rates associated with such policies, for any policy for which the policyholder certifies in writing, on a certification form approved by the department, that the policyholder understands that the policy's language or the policy's rating are unregulated by the department and that the requirements of either subdivision (1) or subdivision (2) below are met:**

**(1) The policyholder has utilized the services of the independent insurance adviser. For purposes of this section, the term "independent insurance adviser" means a person who is qualified through education, training or experience to assess the purchaser's insurance needs and analyze the policy with or on behalf of the policyholder. Such an insurance adviser may be an employee of the policyholder or a person retained by the purchaser, provided that the independent insurance adviser shall not also be an employee of the insurer. Such an independent insurance adviser shall only be compensated for services related to the insurance transaction in question by the policyholder; or**

**(2) The policyholder's commercial operations meet any two of the following criteria:**

**(a) One hundred or more employees;**

**(b) A net worth of over twenty-five million dollars;**

**(c) Net revenues or sales of over fifty million dollars;**

**(d) Paid aggregate annual commercial insurance premiums of over fifty thousand dollars, excluding workers' compensation and employer's liability insurance;**

**(e) Is a not for profit or public entity with an annual budget or assets of at least twenty-five million dollars; or**

**(f) Is a municipality with a population of over fifty thousand inhabitants.**

**2. An insurer writing a commercial property or commercial casualty insurance policy pursuant to subsection 1 of this section shall retain a copy of the policyholder's written certification as part of the insurer's policy records of the transaction.**

**3. Nothing contained in subsection 1 of this section shall be construed as exempting commercial property or commercial casualty policies which meet the requirements of subsection 1 of this section from any regulatory authority of the director of the department of insurance other than that authority related to the oversight of the policy language, policy provisions or the format of policies, or of the rates used to calculate the amount of premium charged. In particular, nothing contained in subsection 1 of this section shall limit the director's authority over excessive, inadequate or unfairly discriminatory rates.**

**4. The director may, by rule, require insurers providing coverage pursuant to subsection 1 of this section to retain information in such insurer's files identifying the policies providing such coverage, and to report to the department aggregate data regarding the types of such coverage written and the amounts charged for such coverage.**

**5. Notwithstanding the provisions of section 384.017, RSMo, commercial property or commercial casualty insurance meeting the requirements of subsection 1 of this section may be procured through a surplus lines licensee from an eligible surplus lines insurer even though the same type of coverage or quality of service is obtainable in the market from admitted insurers.**

**379.425. 1. Sections 379.420 to 379.510 apply to casualty insurance, including fidelity, surety and guaranty bonds, and to all forms of motor vehicle insurance, on risks or operations in this state, except**

**(1) Reinsurance, other than joint reinsurance to the extent stated in section 379.460 and subsection 2 of section 379.430;**

**(2) Insurance against workers' compensation liability;**

**(3) Accident and health insurance;**

**(4) Insurance against loss of or damage to aircraft, or against liability, other than employers' liability, arising out of the ownership, maintenance or use of aircraft.**

**2. Commercial casualty insurance policies which meet the exemption requirements of section 379.362 shall be exempt from those insurance laws of this state which concern the regulation by the director of insurance of the policy language, policy provisions or the format of such policies, or regulation of the rates used to calculate the amount of premium charged.**

**379.888. 1. As used in sections 379.888 to 379.893, the following terms mean:**

**(1) "'A' rated risk" [means], any insurance coverage for which rates are individually determined based upon judgment because**

neither a rate service organization nor the insurer has yet established a manual rate based upon experience, except that if a rate service organization or the insurer acquires sufficient experience to establish, or if the insurer itself has, a manual rate for such coverage, then such coverage shall no longer be considered an "A" rated risk for each insurer;

(2) "Base rate" [means], the rate designed to reflect the average aggregate experience of a particular market, prior to adjustment for individual risk characteristics resulting from application of any rating plan;

(3) "Classification" [means], a grouping of insurance risks according to a classification system used by an insurer;

(4) "Classification system" [means], a schedule of classifications and a rule or set of rules used by an insurer for determining the classification applicable to an insured;

(5) "Commercial casualty insurance" [means], casualty insurance for business or nonprofit interests which is not for personal, family, or household purposes;

(6) "Director" [means], the director of the department of insurance;

(7) "Rate" [means], a monetary amount applied to the units of exposure basis assigned to a classification and used by an insurer to determine the premium for an insured;

(8) "Rating plan" [means], a rule or set of rules used by an insurer to calculate premium for an insured, and the parameter values used in such calculation, after application of classification premium rates to units of exposure; **and**

(9) "Rating system" [means], a collection of rating plans to be used by an insurer, rules for determining which rating plans are applicable to an insured, a classification system, and other rules used by an insurer for determining contractual consideration for insured.

2. Every filing of commercial casualty insurance premium rates, rating plans or rating systems by an insurer or rating organization [must] **shall** be submitted to the director for review prior to becoming effective if it produces an increase or decrease exceeding twenty-five percent annually from changes in any:

(1) Base rates;

(2) Rating basis;

(3) Rating plans;

(4) Manual rules;

(5) Territorial definitions; or

(6) Combination of such rating system components of subdivisions (1) to (5) of this subsection.

3. Nothing in this section applies to premium increases or decreases from:

(1) Change in hazard of the insured's operation;

(2) Change in magnitude of the exposure basis for the insured, including, without limitation, changes in payroll or sales; [or]

(3) "A" rated risks; **or**

**(4) Commercial casualty insurance that is exempt pursuant to section 379.362.**

4. Any renewal notice of a commercial casualty insurance policy as defined in section 379.882 for any Missouri risk or portion thereof which would have the effect of increasing the premium charged to the insured due to a change in any scheduled rating factor applied to the policy during the previous policy period shall contain or be accompanied by a notice to the insured informing the insured that any inquiry by the insured concerning the change may be directed to the agent of record or directly to the insurer. When any insured makes a request for information pursuant to this subsection, the insurer, directly or through the insurer's agent, shall inform the insured in writing in terms sufficiently clear and specific of the basis for any reduction in a scheduled rating credit or increase in a scheduled rating debit which is applied to the policy. Evidence supporting the basis for any scheduled rating credit or debit shall be retained by the insurer for the policy term plus two calendar years[, in accordance with] **pursuant to** section 374.205, RSMo. The [Missouri] department of insurance shall notify commercial casualty insurers of the requirements of this section by bulletin. [The provisions of this subsection shall become effective on January 1, 1999.]

Section B. Section 375.1220 shall terminate on December 31, 2000.; and

Further amend the title and enacting clause accordingly.

sections enacted in lieu thereof, to be known as sections 32.110, 32.111, 32.112, 32.115, 135.530, 135.535, 1, 2, 3, 4 and 5, to read as follows:

32.110. Any business firm which engages in the activities of providing physical revitalization, economic development, job training or education for individuals, community services, or crime prevention in the state of Missouri shall receive a tax credit as provided in section 32.115 if the director of the department of economic development annually approves the proposal of the business firm; except that, no proposal shall be approved which does not have the endorsement of the agency of local government within the area in which the business firm is engaging in such activities which has adopted an overall community or neighborhood development plan that the proposal is consistent with such plan. The proposal shall set forth the program to be conducted, the neighborhood area to be served, why the program is needed, the estimated amount to be contributed to the program and the plans for implementing the program. If, in the opinion of the director of the department of economic development, a business firm's contribution can more consistently with the purposes of sections 32.100 to 32.125 be made through contributions to a neighborhood organization as defined in subdivision (12) of section 32.105, tax credits may be allowed as provided in section 32.115. The director of the department of economic development is hereby authorized to promulgate rules and regulations for establishing criteria for evaluating such proposals by business firms for approval or disapproval and for establishing priorities for approval or disapproval of such proposals by business firms with the assistance and approval of the director of the department of revenue. The total amount of tax credit granted for programs approved pursuant to sections 32.100 to 32.125 shall not exceed fourteen million dollars in fiscal year 1999 and [twenty-two] **twenty-six** million dollars in fiscal year 2000, and any subsequent fiscal year, except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117. **All tax credits authorized pursuant to the provisions of sections 32.100 to 32.125 may be used as a state match to secure additional federal funding.**

32.111. Any business firm which engages in providing affordable housing assistance activities **or market rate housing in distressed communities as defined in section 135.530, RSMo**, in the state of Missouri shall receive a tax credit as provided in section 32.115 if the commission or its delegate approves a proposal submitted by one or more business firms for the provision of affordable housing units **or market rate housing in distressed communities** or in accordance with the requirements of participation in the workfare renovation project in sections 215.340 to 215.355, RSMo. The proposal shall set forth the program of affordable housing to be conducted, the location and number of affordable housing units, the neighborhood area to be served, why the program is needed, the time period for which affordable housing units shall be provided, the estimated amount to be invested in the program, plans for implementing the program and a list of the business firms proposing to provide affordable housing assistance activities which are part of the proposal. **The same type of information shall be provided in proposals for market rate housing in distressed communities.** In the case of rental units **of affordable housing, but not market rate housing in distressed communities**, all proposals approved by the commission shall require a land use restriction agreement stating the provision of affordable housing on [said] **such** property for a time period deemed reasonable by the commission. In the case of owner-occupied units **of affordable housing**, all proposals approved by the commission shall require a land use restriction agreement for a time period deemed reasonable by the commission requiring any subsequent owner, except a lender with a security interest in the property, to be an owner occupant whose income at the time of acquisition is at or below the level described in section 32.105, and further requiring the acquisition price to any subsequent owner shall not exceed by more than a five percent annual appreciation the acquisition price to the original, eligible owner at the time tax credits are first claimed. The land use restriction agreement shall constitute a lien as described in subdivision (4) of subsection 3 of section 32.115. The restriction shall be approved by the property owner and shall be binding on any subsequent owner of the property unless otherwise approved by the commission. In approving a proposal, the commission may authorize the use of tax credits by one or more of the business firms listed in the proposal and shall establish specific requirements regarding the degree of completion of affordable housing assistance activities **or market rate housing activities in distressed communities** necessary to be eligible for tax credits provided pursuant to this section. If, in the opinion of the commission or its delegate, a business firm's investment can more consistently with the purposes of this section be made through a neighborhood organization, tax credits may be allowed as provided in this section. The commission may approve requests for multiyear credit commitments provided eligibility is maintained. The commission or its delegate is hereby authorized to promulgate rules and regulations for establishing criteria for evaluating such proposals by business firms for approval or disapproval, for establishing housing priorities for approval or disapproval of such proposals by business firms, and for the certification of eligibility for tax credits authorized pursuant to this section. A copy of the decision of the commission or its delegate shall be transmitted to the director of revenue and to the governor. A copy of the certification approved by the commission and a statement of the total amount of credits approved by the commission, the amount of credits previously taken by the taxpayer and the amount being claimed for the current tax year shall be filed in a manner and form designated by the director of revenue for any tax year in which a tax credit is being claimed.

Any business firm which makes a contribution to a neighborhood organization, a significant part of whose activities consist of affordable housing assistance activities **or market rate housing in distressed communities as defined in section 135.530, RSMo**, in the state of Missouri, shall receive a tax credit as provided in section 32.115 if the commission approves a proposal submitted by one or more business firms for the general operating assistance of such neighborhood organization. The proposal shall set forth the activities of the neighborhood organization, including the affordable housing assistance activities **or market rate housing in distressed communities**, the neighborhood area to be served, why the activities are needed, the estimated amount to be contributed to the neighborhood organization, and a list of the business firms proposing to make the contributions. The commission is hereby authorized to promulgate rules and regulations pursuant to section 536.024, RSMo, for establishing criteria for evaluating such proposals by business firms for approval or disapproval, and for the certification of eligibility for tax credits authorized [under] **pursuant to** this section. The decision of the commission to approve or disapprove a proposal pursuant to this section shall be in writing and, if approved, the maximum credit allowable to the business firm shall be stated. A copy of the decision of the commission shall be transmitted to the director of revenue and to the governor. 32.115. 1. The department of revenue shall grant a tax credit, to be applied in the following order until used, against:

- (1) The annual tax on gross premium receipts of insurance companies in chapter 148, RSMo;
- (2) The tax on banks determined pursuant to subdivision (2) of subsection 2 of section 148.030, RSMo;
- (3) The tax on banks determined in subdivision (1) of subsection 2 of section 148.030, RSMo;

- (5) The corporation franchise tax in chapter 147, RSMo;
- (6) The state income tax in chapter 143, RSMo; and
- (7) The annual tax on gross receipts of express companies in chapter 153, RSMo.

2. For proposals approved pursuant to section 32.110:

- (1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;
- (2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;
- (3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:
  - (a) An area that is not part of a standard metropolitan statistical area;
  - (b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or
  - (c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture. Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;
- (4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty thousand dollars annually except as provided in subdivision (5) of this [section] **subsection**. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed [twenty-eight] **thirty-two** million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460, RSMo. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant to sections 32.100 to 32.125;
- (5) The credit may exceed two hundred fifty thousand dollars annually and shall not be limited if community services, crime prevention, education, job training, physical revitalization or economic development, as defined by section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons.

3. For proposals approved pursuant to section 32.111:

- (1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities **or market rate housing in distressed communities as defined in section 135.530, RSMo**, by a business firm. Whenever [said] **such** investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units **or market rate housing units in distressed communities** for which a tax is

claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units **or market rate housing units in distressed communities**, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year;

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify [said] **such** certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

**5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.**

**"Section 7. 1. Any person may receive specialized license plates with words and an emblem which denotes respect for human life both before and after birth, pursuant to this section, for any vehicle such person owns either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight after a contribution of at least twenty-five dollars to the Missouri alternatives to abortion support fund. Such license plates shall be called "Respect Life License Plates".**

**2. Respect life license plates shall bear the words "RESPECT LIFE" in place of the words "SHOW-ME STATE", shall bear an image of a single red rose placed on the plate in a conspicuous manner, and shall have a background with a color scheme chosen to complement and highlight the words "RESPECT LIFE" and the image of the red rose. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130, RSMo. A fee for the issuance of personalized license plates pursuant to section 301.144, RSMo, shall not be required for plates issued pursuant to this section.**

**3. The contribution of at least twenty-five dollars to the Missouri alternatives to abortion support fund shall be made to the director of revenue at the time of registration of the vehicle. The director shall transfer such contributions to the state treasurer for deposit in the Missouri alternatives to abortion support fund. Upon the receipt of such contribution, payment of the regular registration fees and presentation of other documents which may be required by law, the director of revenue shall issue respect life license plates to the vehicle owner.**

**4. There shall be no limit on the number of sets of respect life license plates a person may obtain pursuant to this section so long as such license plates are issued for vehicles owned solely or jointly by such person, and so long as a contribution of twenty-five dollars is made for each set of respect life license plates.**

**5. A vehicle owner who was previously issued respect life license plates but who does not make a contribution of at least twenty-five dollars to the Missouri alternatives to abortion support fund at a subsequent time of registration shall be issued new plates which are not respect life license plates, as otherwise provided by law.**

**6. The director of revenue shall issue samples of the respect life license plates to all offices in this state where vehicles are registered and license plates are issued. Such sample license plates shall be prominently displayed in such offices along with literature prepared by the director, by the Missouri respect life commission, or jointly, describing the license plates, the Missouri alternatives to abortion support fund, and the purposes for which the fund was created.**

**7. The general assembly may appropriate moneys annually from the Missouri alternatives to abortion support fund to the department of revenue to offset costs incurred for collecting and transferring contributions pursuant to this section.**

**8. The director of revenue shall promulgate all necessary rules and regulations for the enforcement of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.**

**Section 8. 1. There is hereby established in the state treasury the "Missouri Alternatives to Abortion Support Fund". The state treasurer shall credit to and deposit in such fund all moneys which may be required by law to be credited to or deposited in such fund, all moneys which may be appropriated to it by the general assembly, other amounts which may be received from general revenue, grants, gifts, bequests or from federal, state or local sources, and any other sources granted or given for this specific purpose.**

**2. The state treasurer shall invest moneys in the Missouri alternatives to abortion support fund in the same manner as surplus state funds are invested pursuant to section 30.260, RSMo. All earnings which result from the investment of moneys in the Missouri alternatives to abortion support fund shall be credited to such fund.**

**3. The provisions of section 33.080, RSMo, requiring all unexpended balances remaining in various state funds to be transferred and placed to the credit of the general revenue fund of this state at the end of each biennium, shall not apply to the Missouri alternatives to abortion support fund.**

**4. The administration of the Missouri alternatives to abortion support fund, including but not limited to the**

disbursement of moneys from such fund, shall be as prescribed by the Missouri respect life commission in its rules. Moneys credited to and deposited in the fund shall only be used by the commission for the purposes authorized pursuant to this section or as otherwise provided by law.

5. Until the amount in the Missouri alternatives to abortion support fund exceeds one million dollars, not more than one-half of the money credited to and deposited in the fund from all sources, plus all earnings from the investment of moneys in the fund credited to the fund during the previous fiscal year, shall be available for disbursement by the Missouri respect life commission pursuant to this section. When the state treasurer certifies that the assets in the fund exceed one million dollars, from that time on all credited earnings plus all future credits to and deposits in the fund from all sources shall be available for disbursement by the commission within the limits of appropriations and for the purposes of this section. The general assembly may appropriate moneys annually from the Missouri alternatives to abortion support fund to the office of administration to pay the expenses incurred by the office of administration for budgetary, procurement, accounting and other related management functions performed by it relating to the Missouri respect life commission, to the members of the commission to pay the expenses of the members, and to the executive director and employees of the commission for salaries.

6. The purpose of the Missouri alternatives to abortion support fund is to support those private agencies which are:

- (1) Established primarily to provide alternative to abortion services, and which do not perform or refer for abortions;
- (2) Located in this state; and
- (3) Exempt from income taxation pursuant to the United States Internal Revenue Code.

For purposes of this section, the term "alternative to abortion services" means services or counseling offered to a woman with a crisis pregnancy or unplanned pregnancy specifically to assist her in carrying her pregnancy to term instead of having an abortion.

Section 9. 1. There is hereby established in the office of administration the "Missouri Respect Life Commission". The commission shall consist of thirteen members, two who shall be members of the Missouri senate, one from the majority party and one from the minority party, appointed by the president pro tem of the senate, two who shall be members of the Missouri house of representatives, one from the majority party and one from the minority party, appointed by the speaker of the house of representatives, and nine members, one from each congressional district, appointed by the governor with the advice and consent of the senate. Not more than five congressional district members shall be from the same political party.

2. The four members appointed from the general assembly shall serve during their term as a member of the general assembly, and the nine congressional district members shall serve four-year terms, except that of the initial appointments, five shall be appointed for a term of four years and four shall be appointed for a term of two years. Before the expiration of the term of a congressional district member appointed by the governor, the governor shall appoint a successor whose term begins on July first next following. Each member shall serve until his or her successor is appointed. A member is eligible for reappointment. If there is a vacancy of a congressional district member for any cause, the governor shall make an appointment for the unexpired term with the advice and consent of the senate.

3. To be eligible for appointment to the commission and confirmation of the senate, a person shall demonstrate agreement with the principles and goals set forth in this section regarding respect for innocent human life from conception until natural death, and the need to offer and promote alternative to abortion services for pregnant women so that such women are encouraged to carry their pregnancies to term instead of having abortions. In making congressional district member appointments to the commission, the governor shall consider nominees recommended to the governor for appointment by right-to-life organizations of this state.

4. Any congressional district member may be removed by the governor for misconduct, incompetency or neglect of duty after first being given the opportunity to be heard in his or her own behalf.

5. The commission shall elect one of its members to serve as chairperson of the commission, and may elect such other officers and establish such committees as deemed necessary.

6. The commission may appoint an executive director who shall serve subject to the supervision of and at the pleasure of the commission. The executive director shall be responsible for the administrative operations of the commission and shall perform such other duties as may be delegated or assigned to the executive director by law or the commission. The executive director may obtain all necessary office space, facilities and equipment, and may hire and set the compensation of such staff as is approved by the commission, within the limitations of appropriations for this purpose.

7. Each member of the commission shall serve without compensation but shall be reimbursed for ordinary and necessary expenses incurred in the performance of his or her duties.

8. The commission shall exercise its powers and duties independently of the office of administration, except that budgetary, procurement, accounting and other related management functions shall be performed by the office of administration.

9. The commission shall meet at least quarterly.

10. The powers and duties of the Missouri respect life commission shall include, but not be limited to, the following:

(1) To disburse funds from the Missouri alternatives to abortion support fund and any other funds authorized by law to be disbursed by the commission;

(2) To consult with appropriate state agencies, commissions, boards and public and private agencies to determine the effectiveness of, and need for, alternative to abortion services and effectiveness of, and need for, programs that foster respect for human life both before and after birth;

(3) To facilitate information exchange and coordination among agencies and groups concerned with offering and promoting alternative to abortion services, and concerned with offering and promoting programs that foster respect for human life both before and after birth;

(4) To develop statewide educational and public informational campaigns, conferences and workshops for the purpose of developing appropriate public awareness regarding respect for human life both before and after birth, and the need to offer and promote alternative to abortion services;

(5) To identify those groups of pregnant women at risk of obtaining abortions, identify problems and conditions such pregnant women have and encounter which causes them to choose to obtain abortions instead of choosing to carry their pregnancies to term, and propose solutions to such problems and conditions;

(6) To recommend statutory changes and appropriations to promote alternative to abortion services and to promote programs that foster respect for human life both before and after birth;

(7) To solicit and accept general revenue, grants, gifts, bequests, contributions or other aid from the general assembly, any person or business, organization or foundation, public or private, or from federal, state or local sources;

(8) To perform any other functions or duties consistent with the provisions of this section or otherwise required by law;

(9) To promulgate rules necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

11. The Missouri respect life commission shall submit an annual report of its activities to the president pro tem of the senate, the speaker of the house of representatives and the governor before January thirty-first of each year."; and

No vehicle shall park in the access aisle. Such parking violation shall be an infraction. The use of a vehicle displaying a disabled license plate or windshield placard to park in a parking space designated for the disabled by a person not transporting the individual for whom the license or placard was issued shall be an infraction. Upon conviction thereof, violators shall be punished by a fine of not less than fifty dollars nor more than three hundred dollars.

4. No additional fee shall be paid to the director of revenue for the issuance of the special license plates provided in this section, except for special personalized license plates and other license plates described in this subsection. Priority for any specific set of special license plates shall be given to the applicant who received the number in the immediately preceding license period subject to the applicant's compliance with the provisions of this section and any applicable rules or regulations issued by the director. 5. Any physically disabled person, or the parent or guardian of any such person, or any not for profit group, organization, or other entity which transports more than one physically disabled person, may apply to the director of revenue for a removable windshield placard to be hung from the rearview mirror of a parked motor vehicle. When there is no rearview mirror, the placard shall be displayed on the dashboard on the driver's side. The removable windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for the temporary windshield placard shall be two dollars. Upon request, one additional temporary windshield placard shall be issued to an applicant. A person or entity shall be qualified to possess and display a temporary removable windshield placard for six months and the placard may be renewed once for an additional six months if a physician's statement pursuant to subsection 6 of this section is supplied to the director of revenue at the time of renewal. The placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when a physically disabled occupant is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected by a properly marked vehicle which is parked for the sole use of the physically disabled person.

6. Application for license plates or windshield placards issued pursuant to this section shall be made to the director of revenue and shall be accompanied by a statement signed by a licensed physician which certifies that the applicant, user, or member of the applicant's household is a physically disabled person as defined by this section. The physician's statement shall be on a form prescribed by the director of revenue which shall include the physician's license number. If it is the professional opinion of the physician who issues the statement that the physical disability of the applicant, user, or member of the applicant's household is permanent, this shall be noted on the statement. In such instances, the applicant shall present the physician's statement which states that the applicant's disability is permanent to the director of revenue the first time the applicant applies for license plates or a removable windshield placard. The applicant shall not be required to obtain a new physician's statement each time that the applicant applies for or renews license plates or a removable windshield placard; but, the applicant shall present a physician's statement each time the applicant applies for a temporary windshield placard or renews a temporary windshield placard. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days. The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director may, in cooperation with the boards which shall assist the director, establish a list of all physicians' names and of any other information necessary to administer this subsection within the department of revenue if the director determines that such listing is necessary to carry out the provisions of this subsection.

7. Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit an affidavit stating this fact, in addition to the physician's statement. The affidavit shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this affidavit with each application for license plates.

8. The director of revenue shall enter into reciprocity agreements with other states for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons in those states.

9. When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of such person shall return the plates or placards or both to the director of revenue under penalty of law. The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards. If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

10. In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be two dollars.

11. Beginning after September 1, 1998, and prior to August 31, 1999, the director of revenue shall authorize a one-time recertification and review of all permanent disabled person license plates and windshield placards, including physician's license numbers and related information that the director has on file pursuant to subsection 6 of this section to determine if such numbers and information are current and correct. The director shall require the presentation of a new physician's statement and other information deemed necessary by the director to administer the provisions of this section. The recertification and review shall be conducted in a manner as determined by the director."; and

324.575. 1. Persons licensed as professional housemovers shall also be required to secure a special permit, as provided for in subsection 6 of section 304.200, RSMo, from the director of the department of highways and transportation for every move undertaken on the state highway system. The permit shall be issued by the director if the director determines that the applicant:

2. A travel plan shall accompany the application for the special permit. The travel plan will show the proposed route, the time estimated for each segment of the move, a plan to handle traffic so that no one delay to other highway users shall exceed twenty minutes. The director shall review the travel plan and if the route cannot accommodate the move due to roadway weight limits, bridge size or weight limits, or will cause undue interruption of traffic flow, the special permit shall not be issued.

3. The applicant may submit alternate plans if desired until an acceptable route is determined. If the width of the building or structure to be relocated is more than thirty-six feet, or if no acceptable travel plan has been filed, and the denial of the permit would cause a hardship, the application and travel plan may be submitted to the director on appeal. After reviewing the route and travel plan, the director may in his or her discretion issue the permit after considering the practical physical limitations of the route, the nature and purpose of the move, the size and weight of the structure, the distance the structure is to be moved, and the safety and convenience of the traveling public. 324.593. The permit may be voided if any conditions of the permit are violated. Upon any violation, the permit must be surrendered and a new permit obtained before proceeding. Misrepresentation of information on an application to obtain a license, fraudulently obtaining a permit, alteration or a permit, or unauthorized use of a permit will render the permit void.

324.596. All moves on streets on the municipal system of streets shall comply with local ordinances. The officer in charge of the maintenance of streets of any municipality may issue permits for the use of the streets by housemovers within the limits of such municipalities.

324.602. The speed of moves will be that which is reasonable and prudent for the load, considering weight and bulk, under conditions existing at the time.

## House Journal

First Regular Session, 90th General Assembly

SIXTY-EIGHTH DAY, Tuesday, May 11, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Father Donald Lammers.

God our Father, origin of every life and goal of all those who search for truth, be generous toward our prayers this morning and all this week, times of decision making and voting.

Empty us of excessive pride, so that we can welcome with faith the plans of Your divine wisdom. Empty us of our thirst for power, so that we might seek to serve. Empty us of undo ambition for personal gain, so that we might be committed to the common good.

Fill us today with the zeal for the good of our State that we had when first elected. Fill us with a wisdom that will free us to work for everyone, especially the weak. Fill us with the courage to show our respect for every human life, precious in the eyes of the Most High God.

God our Father, hear us as we pray at the beginning of this legislative session. We take courage in knowing that You bend close to hear our prayer whenever we call upon You within our hearts, throughout the work of this day.

Stay with us; move among us; You are Lord of all. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Allison Fouts, Alex Newmaster, Megan Miller, Chasen Moffitt, Alex Bulejski, Carol Pedersen, Nicholas Stolz, Christopher Swanson, Brennan Huffer, Justin Allen, Allison Faber, Ryan Gaterman, Evan Boyle, Lauren Crist, Charity James, Emily Bulejski and Cassie Keller.

The Journal of the sixty-seventh day was approved as corrected.

## House Journal

First Regular Session, 90th General Assembly

SIXTY-NINTH DAY, Wednesday, May 12, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Representative Jim Murphy.

Dear Lord,

As we gather in this beautiful Chamber this morning, help us realize that You have entrusted to our care the spiritual and physical well being of five million Missourians. As You guided the Israelites to their home, please guide us in bringing those entrusted to our care to worldly peace and eternal solace.

We are but imperfect mortals who are here in this government to do Your bidding.

We realize that we have but a short time on this earth and that it is not our will, but Your will that must be done.

Enable us to find the truth and to aide our fellow citizens in filling the potential You have endowed them with.

Government service is a noble calling. We are honored that You have led us to this Capitol.

And when the time comes when we end our stay on this earth, may You be there to greet us with the words we all pray to hear!

Well done my good and faithful servant.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Michelle Cooper, Patrick Feeney, Maureen A. Hughes, Maureen L. Hughes, Patrick Lawler, Jenifer Brickey, Karolyn Childress, Andrew Doyle, Michael Madras, Sarah Meehan, Jonathan Pleban, Anthony Sneed, Jim Wombwell, Ben Henny, Jason Glover, Shealyn Turner, Melinda Kitchen, Ricky Kitchen, Orcinneo Alexander, Octavia Alexander, Emily Mayhan, Andy Sawyer, Brittany Cataldi, Scott Madsen, Casey Lewis, Patrick Timothy Green, Kent Eagleburger, Whitney Eagleburger and Blake Eagleburger.

The Journal of the sixty-eighth day was approved as corrected.

Further amend said bill, Page 27, Section 570.040, Line 2 of said page, by inserting after all of said line the following:

"570.120. 1. A person commits the crime of passing a bad check when:

(2) [He] **The person** makes, issues, or passes a check or other similar sight order for the payment of money, knowing that there are insufficient funds in [his] **that** account or that there is no such account or no drawee and fails to pay the check or sight order within ten days after receiving actual notice in writing that it has not been paid because of insufficient funds or credit with the drawee or because there is no such drawee.

2. As used in subdivision (2) of subsection 1 of this section, actual notice in writing means notice of the nonpayment which is actually received by the defendant. Such notice may include the service of summons or warrant upon the defendant for the initiation of the prosecution of the check or checks which are the subject matter of the prosecution if the summons or warrant contains information of the ten-day period during which the instrument may be paid and that payment of the instrument within such ten-day period will result in dismissal of the charges. The requirement of notice shall also be satisfied for written communications which are tendered to the defendant and which the defendant refuses to accept.

3. The face amounts of any bad checks passed pursuant to one course of conduct within any ten-day period may be aggregated in determining the grade of the offense.

The funds shall be expended, upon warrants issued by the prosecuting attorney or circuit attorney directing the treasurer to issue checks thereon, only for purposes related to that [previously] authorized in this section. Any revenues that are not required for the purposes of this section may be placed in the general revenue fund of the county or city not within a county.

(2) The moneys deposited in the fund may be used by the prosecuting or circuit attorney for office supplies, postage, books, training, office equipment, [capital outlay,] expenses of trial and witness preparation, additional employees for the staff of the prosecuting or circuit attorney and employees' salaries.

(3) This fund may be audited by the state auditor's office or the appropriate auditing agency.

(4) If the moneys collected and deposited into this fund are not totally expended annually, then the unexpended balance shall remain in said fund and the balance shall be kept in said fund to accumulate from year to year.

6. [Notwithstanding any other provisions of law to the contrary, in addition to the administrative handling costs provided for in subsection 5 of this section, the prosecuting attorney or circuit attorney may, in his discretion, collect from the issuer, in addition to the face amount of the check, a reasonable service charge, which along with the face amount of the check shall be turned over to the party to whom the bad check was issued. If the prosecuting attorney or circuit attorney does not collect the service charge and the face amount of the check, the party to whom the check was issued may collect from the issuer a reasonable service charge along with the face amount of the check.] **Notwithstanding any other provision of law to the contrary:**

**(2) If a check that is dishonored or returned unpaid by a financial institution is not referred to the prosecuting attorney or circuit attorney for any action pursuant to the provisions of this section, the party to whom the check was issued, or his or her agent or assignee, or a holder, may collect from the issuer, in addition to the face amount of the check, a reasonable service charge, not to exceed thirty dollars, plus an amount equal to the actual charge by the depository institution for the return of each unpaid or dishonored instrument.**

7. In all cases where a prosecutor receives notice from the original holder that a person has violated this section with respect to a payroll check or order, the prosecutor, if [he] **such prosecutor** determines there is a violation of this section, shall file an information or seek an indictment within sixty days of such notice and may file an information or seek an indictment thereafter if the prosecutor has failed through neglect or mistake to do so within sixty days of such notice and if [he] **such prosecutor** determines there is sufficient evidence shall further prosecute such cases.

8. WHEREAS, on November 23, 1998, a historic accord was reached between 46 states, U.S. territories, commonwealths and the District of Columbia and tobacco industry representatives that called for the distribution of tobacco settlement funds to states over the next twenty-five years; and

WHEREAS, these funds result from the effort put forth by state attorneys general in which states solely assumed enormous risks and displayed determination to initiate a settlement that will lead to reduced youth smoking and reduced access to

tobacco products; and

WHEREAS, in the fall of 1997, states were notified by the U.S. Department of Health and Human Services of its intention to "recoup" the federal match from funds states received through suits brought against tobacco manufacturers; and if such recoupment takes place, the states will lose one-half or more of the tobacco settlement funds; and

WHEREAS, the federal government played no role in the suits brought against tobacco manufacturers or the subsequent settlement agreement and the November 23rd accord makes no mention of Medicaid or federal recoupment; and

WHEREAS, the U.S. Department of Health and Human Services has suspended recoupment activities; and

WHEREAS, we the members of the Ninetieth General Assembly believe that the suspension on the federal government's recoupment of tobacco settlement funds should be converted into an outright prohibition against the federal government recouping any of the tobacco settlement money; and

WHEREAS, we the members of the Ninetieth General Assembly believe that if the federal government recoups any funds received through suits brought against tobacco manufacturers, such recoupment should be immediately returned to the state; and

WHEREAS, to prevent the seizure of state tobacco settlement funds when they become available to the states in 2000, an amendment to the Medicaid statute must be enacted to exempt tobacco settlement funds from recoupment:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, First Regular Session, the Senate concurring therein, hereby go on record in support of state retention of all state tobacco settlement funds; and

BE IT FURTHER RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, First Regular Session, the Senate concurring therein, hereby urge the federal government, in the event recoupment occurs, to return upon receipt any tobacco settlement funds recouped from the state; and

BE IT FURTHER RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, First Regular Session, the Senate concurring therein, hereby urge Congress to enact an amendment to the Medicaid statute that would exempt tobacco settlement funds from recoupment; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the entire Missouri Congressional delegation, the Secretary of the United States Senate and the Clerk of the United States House of Representatives.

#### *Senate Amendment No. 1*

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Bill No. 516, Page 1, Section 143.111, Line 1, by inserting immediately before said line the following:

**"135.636. 1. For all tax years beginning on or after January 1, 2000, an individual taxpayer shall be allowed a credit against his or her state tax liability equal to ten percent of the amount of all real property taxes which the taxpayer has paid to this state or to any political subdivision of this state during the calendar year for which the income tax return is being filed, but not to exceed one hundred dollars for any one parcel of real property which is wholly owned by the taxpayer or by the taxpayer and the taxpayer's spouse. #### *Senate Amendment No. 2*

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Bill No. 516, Page 4, Section 147.010, Line 1 of said section, by inserting immediately before said line the following:

**"144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.525 have the meanings ascribed**

to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.525;

(2) "Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either direct or indirect, and the classification of which business is of such character as to be subject to the terms of sections 144.010 to 144.525. The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

(3) "Gross receipts", except as provided in section 144.012, means the total amount of the sale price of the sales at retail including any services other than charges incident to the extension of credit that are a part of such sales made by the businesses herein referred to, capable of being valued in money, whether received in money or otherwise; except that, the term "gross receipts" shall not include the sale price of property returned by customers when the full sale price thereof is refunded either in cash or by credit. In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

(4) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as defined in section 277.024, RSMo, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, or rabbits raised in confinement for human consumption;

(5) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as hereinafter provided;

*Senate Amendment No. 16*

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Bill No. 516, Page 1, Section A, Line 5 of said page, by inserting immediately after said line the following:

"137.073. 1. As used in this section, the following terms mean:

- (1) "General reassessment", changes in value, entered in the assessor's books, of a substantial portion of the parcels of real property within a county resulting wholly or partly from reappraisal of value or other actions of the assessor or county equalization body or ordered by the state tax commission or any court;
- (2) "Tax rate", "rate", or "rate of levy", singular or plural, includes the tax rate for each purpose of taxation of property a taxing authority is authorized to levy without a vote and any tax rate authorized by election, including bond interest and sinking fund;
- (3) "Tax rate ceiling", a tax rate as revised by the taxing authority to comply with the provisions of this section or when a court has determined the tax rate; except that, other provisions of law to the contrary notwithstanding, a school district may levy the operating levy for school purposes required for the current year under subsection 2 of section 163.021, RSMo, less all adjustments required pursuant to article X, section 22 of the Missouri Constitution, if such tax rate does not exceed the highest tax rate in effect subsequent to the 1980 tax year. This is the maximum tax rate that may be levied, unless a higher tax rate ceiling is approved by voters of the political subdivision as provided in this section;
- (4) "Tax revenue", when referring to the previous year, means the actual receipts from ad valorem levies on all classes of property, including state-assessed property, in the immediately preceding fiscal year of the political subdivision, plus an allowance for taxes billed but not collected in the fiscal year and plus an additional allowance for the revenue which would have been collected from property which was annexed by such political subdivision but which was not previously used in determining tax revenue under this section. The term "tax revenue" shall not include any receipts from ad valorem levies on any property of a railroad corporation or a public utility, as these terms are defined in section 386.020, RSMo, which were assessed by the assessor of a county or city in the previous year but are assessed by the state tax commission in the current year. All school districts and those counties levying sales taxes under chapter 67, RSMo, shall include in the calculation of tax revenue an amount equivalent to that by which they reduced property tax levies as a result of sales tax under section 67.505, RSMo, and section 164.013, RSMo, in the immediately preceding fiscal year but not including any amount calculated to adjust for prior years. For purposes of political subdivisions which were authorized to levy a tax in the prior year but which did not levy such tax or levied a reduced rate, the term "tax revenue", as used in relation to the revision of tax levies mandated by law, shall mean the revenues equal to the amount that would have been available if the voluntary rate reduction had not been made.

2. Whenever changes in assessed valuation are entered in the assessor's books, the county clerk in all counties and the assessor of St. Louis City shall notify each political subdivision wholly or partially within the county or St. Louis City of the change in valuation, exclusive of new construction and improvements. All political subdivisions shall immediately revise the rates of levy for each purpose for which taxes are levied to the extent necessary to produce from all taxable property, exclusive of new construction and improvements, substantially the same amount of tax revenue as was produced in the previous year, except that the rate may not exceed the greater of the rate in effect in the 1984 tax year or the most recent voter-approved rate. As provided in section 22 of article X of the constitution, a political subdivision may also revise each levy to allow for inflationary assessment growth occurring within the political subdivision. The inflationary growth factor shall be limited to the actual assessment growth within the political subdivision, exclusive of new construction and improvements, but not to exceed the consumer price index or five percent, whichever is lower.

3. (1) Where the taxing authority is a school district, it shall be required to revise the rates of levy to the extent necessary to

produce from all taxable property, including state-assessed railroad and utility property, which shall be separately estimated in addition to other data required in complying with section 164.011, RSMo, substantially the amount of tax revenue permitted in this section. In the year following tax rate reduction, the tax rate ceiling may be adjusted to offset such district's reduction in the apportionment of state school moneys due to its reduced tax rate. However, in the event any school district, in calculating a tax rate ceiling pursuant to this section, requiring the estimating of effects of state-assessed railroad and utility valuation or loss of state aid, discovers that the estimates used result in receipt of excess revenues, which would have required a lower rate if the actual information had been known, the school district shall reduce the tax rate ceiling in the following year to compensate for the excess receipts, and the recalculated rate shall become the tax rate ceiling for purposes of this section.

(2) For any political subdivision which experiences a reduction in the amount of assessed valuation relating to a prior year, due to decisions of the state tax commission or a court under sections 138.430 to 138.433, RSMo, or due to clerical errors or corrections in the calculation or recordation of any assessed valuation:

(a) Such political subdivision may revise the tax rate ceiling for each purpose it levies taxes to compensate for the reduction in assessed value occurring after the political subdivision calculated the tax rate ceiling in the prior year. Such revision by the political subdivision shall be made at the time of the next calculation of the tax rate after the reduction in assessed valuation has been determined and shall be calculated in a manner that results in the revised tax rate ceiling being the same as it would have been had the corrected or finalized assessment been available at the time of the prior calculation;

(b) In addition, for up to three years following the determination of the reduction in assessed valuation as a result of circumstances defined in this subdivision, such political subdivision may levy a tax rate for each purpose it levies taxes above the revised tax rate ceiling provided in paragraph (a) of this subdivision to recoup any revenues it was entitled to receive for the three-year period preceding such determination.

4. (1) In order to implement the provisions of this section and section 22 of article X of the Constitution of Missouri, the term "improvements" shall apply to both real and personal property. In order to determine the value of new construction and improvements, each county assessor shall maintain a record of real property valuations in such a manner as to identify each year the increase in valuation for each political subdivision in the county as a result of new construction and improvements. The value of new construction and improvements shall include the additional assessed value of all improvements or additions to real property which were begun after and were not part of the prior year's assessment, except that the additional assessed value of all improvements or additions to real property which had been totally or partially exempt from ad valorem taxes pursuant to sections 99.800 to 99.865, RSMo, sections 135.200 to 135.255, RSMo, and section 353.110, RSMo, shall be included in the value of new construction and improvements when the property becomes totally or partially subject to assessment and payment of all ad valorem taxes. The aggregate increase in valuation of personal property for the current year over that of the previous year is the equivalent of the new construction and improvements factor for personal property. The assessor shall certify the amount of new construction and improvements for each political subdivision to the county clerk in order that political subdivisions shall have this information for the purpose of calculating tax rates under this section and section 22, article X, Constitution of Missouri. In addition, the state tax commission shall certify each year to each county clerk the increase in the general price level as measured by the consumer price index for all urban consumers for the United States, or its successor publications, as defined and officially reported by the United States Department of Labor, or its successor agency. The state tax commission shall certify the increase in such index on the latest twelve-month basis available on June first of each year over the immediately preceding prior twelve-month period in order that political subdivisions shall have this information available in setting their tax rates according to law and section 22 of article X of the Constitution of Missouri. For purposes of implementing the provisions of this section and section 22 of article X of the Missouri Constitution, the term "property" means all taxable property, including state assessed property.

(2) Each political subdivision required to revise rates of levy pursuant to this section or section 22 of article X of the Constitution of Missouri shall calculate each tax rate it is authorized to levy and, in establishing each tax rate, shall consider each provision for tax rate revision provided in this section and section 22 of article X of the Constitution of Missouri, separately and without regard to annual tax rate reductions provided in section 67.505, RSMo, and section 164.013, RSMo. Each political subdivision shall set each tax rate it is authorized to levy using the calculation that produces the lowest tax rate ceiling. It is further the intent of the general assembly, under the authority of section 10(c) of article X of the Constitution of Missouri, that the provisions of such section be applicable to tax rate revisions mandated under section 22 of article X of the Constitution of Missouri as to reestablishing tax rates as revised in subsequent years, enforcement provisions, and other provisions not in conflict with section 22 of article X of the Constitution of Missouri. Annual tax rate reductions provided in section 67.505, RSMo, and section 164.013, RSMo, shall be applied to the tax rate as established under this section and section 22 of article X of the Constitution of Missouri, unless otherwise provided by law.

5. (1) In all political subdivisions, the tax rate ceiling established pursuant to this section shall not be increased unless approved by a vote of the people. Approval of the higher tax rate shall be by at least a majority of votes cast. When a proposed higher tax rate requires approval by more than a simple majority under any provision of law or the constitution, the tax rate increase must receive approval by at least the majority required.

(2) When voters approve an increase in the tax rate, the amount of the increase shall be added to the tax rate ceiling as calculated under this section to the extent the total rate does not exceed any maximum rate prescribed by law. If a ballot question presents a stated tax rate for approval rather than describing the amount of increase in the question, the stated tax rate approved shall be the current tax rate ceiling. The increased tax rate ceiling as approved may be applied to the total assessed valuation of the political subdivision at the setting of the next tax rate.

(3) The governing body of any political subdivision may levy a tax rate lower than its tax rate ceiling and may increase that lowered tax rate to a level not exceeding the tax rate ceiling without voter approval.

6. Each taxing authority proposing to levy a tax rate in any year shall notify the clerk of the county commission in the county or counties where the tax rate applies of its tax rate ceiling and its proposed tax rate. Any taxing authority levying a property tax rate shall provide data, in such form as shall be prescribed by the state auditor by rule, substantiating such tax rate complies with Missouri law. In addition, each taxing authority proposing to levy a tax rate for debt service shall provide data, in such form as shall be prescribed by the state auditor by rule, substantiating the tax rate for debt service complies with Missouri law. A tax rate proposed for annual debt service requirements will be prima facie valid if, after making the payment for which the tax was levied, bonds remain outstanding and the debt fund reserves do not exceed the following year's payments. The county clerk shall keep on file and available for public inspection all such information for a period of three years. The clerk shall, within three days of receipt, forward a copy of the notice of a taxing authority's tax rate ceiling and proposed tax rate and any substantiating data to the state auditor. The state auditor shall examine such information and return to the county clerk his findings as to compliance of the tax rate ceiling with this section and as to compliance of any proposed tax rate for debt service with Missouri law. The county clerk shall forward a copy of the auditor's findings to the taxing authority and shall file a copy of the findings with the information received from the taxing authority. The auditor's findings are advisory for the information of the taxing authority and the public.

7. No tax rate shall be extended on the tax rolls by the county clerk unless the political subdivision has complied with the foregoing provisions of this section.

8. Whenever a taxpayer has cause to believe that a taxing authority has not complied with the provisions of this section, the taxpayer may make a formal complaint with the prosecuting attorney of the county. Where the prosecuting attorney fails to bring an action within ten days of the filing of the complaint, the taxpayer may bring a civil action under this section and institute an action as representative of a class of all taxpayers within a taxing authority if the class is so numerous that joinder of all members is impracticable, if there are questions of law or fact common to the class, if the claims or defenses of the representative parties are typical of the claims or defenses of the class, and if the representative parties will fairly and adequately protect the interests of the class. In any class action maintained under this section, the court may direct to the members of the class a notice to be published at least once each week for four consecutive weeks in a newspaper of general circulation published in the county where the civil action is commenced and in other counties within the jurisdiction of a taxing authority. The notice shall advise each member that the court will exclude him from the class if he so requests by a specified date, that the judgment, whether favorable or not, will include all members who do not request exclusion, and that any member who does not request exclusion may, if he desires, enter an appearance. In any class action brought under this section, the court, in addition to the relief requested, shall assess against the taxing authority found to be in violation of this section the reasonable costs of bringing the action, including reasonable attorney's fees, provided no attorney's fees shall be awarded any attorney or association of attorneys who receive public funds from any source for their services. Any action brought pursuant to this section shall be set for hearing as soon as practicable after the cause is at issue.

9. If in any action, including a class action, the court issues an order requiring a taxing authority to revise the tax rates as provided in this section or enjoins a taxing authority from the collection of a tax because of its failure to revise the rate of levy as provided in this section, any taxpayer paying his taxes when an improper rate is applied has erroneously paid his taxes in part, whether or not the taxes are paid under protest as provided in section 139.031, RSMo. The part of the taxes paid erroneously is the difference in the amount produced by the original levy and the amount produced by the revised levy. The township or county collector of taxes or the collector of taxes in any city shall refund the amount of the tax erroneously paid. The taxing authority refusing to revise the rate of levy as provided in this section shall make available to the collector all funds necessary to make refunds under this subsection. No taxpayer shall receive any interest on any money erroneously paid by him under this subsection. Effective in the 1994 tax year, nothing in this section shall be construed to require a taxing authority to refund any tax erroneously paid prior to or during the third tax year preceding the current tax year.

**10. A taxing authority, including but not limited to a township, county collector, or collector of taxes, responsible for determining and collecting the amount of residential real property tax levied in its jurisdiction, shall report such amount of tax collected by December thirty-first of each year such property is assessed, to the state auditor. The state auditor shall compile the tax data by county or taxing jurisdiction and submit a report to the general assembly no later than January thirty-first of the following year.";** and

Further amend the title and enacting clause accordingly.

*Senate Amendment No. 20*

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Bill No. 516, Page 1, Section A, Line 5, by inserting after all of said line the following:

"135.630. 1. As used in this section, the following terms shall mean:

- (1) "Contribution", a donation of cash, stock, bonds or other marketable securities, or real property;
- (2) "Director", the director of the department of social services;
- (3) "State tax liability", in the case of a business taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapters 143, 147, 148 and 153, RSMo, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265, RSMo, and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143, RSMo;

- (5) "Unplanned pregnancy resource center", a nonresidential facility:
  - (a) Located in this state and established for the purpose of providing assistance to women with crisis pregnancies or unplanned pregnancies by offering pregnancy testing, counseling, emotional and material support, and other similar services to encourage and assist such women in carrying their pregnancies to term; and

(f) Which is exempt from income taxation pursuant to the United States Internal Revenue Code.

In cases where two or more unplanned pregnancy resource centers are controlled by the same corporate entity and more than one-half of the annual income of each such center is derived from common fund-raising efforts which benefit all such centers controlled by the same corporate entity, the director shall make one equal apportionment to the corporate entity and not separate equal apportionments to each facility classified as an unplanned pregnancy resource center and controlled by the same corporate entity. However, for purposes of informing taxpayers of which facilities have been classified as unplanned pregnancy resource centers pursuant to subsection 6 of this section, the director may list separately each unplanned pregnancy resource center controlled by the same corporate entity.

2. A taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability, in an amount equal to fifty percent of the amount such taxpayer contributed to an unplanned pregnancy resource center.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year that the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. However, any tax credit that cannot be claimed in the taxable year the contribution was made may be carried over to the next four succeeding taxable years until the full credit has been claimed.

4. Except for any excess credit which is carried over pursuant to subsection 3 of this section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such taxpayer's contribution or contributions to an unplanned pregnancy resource center or centers in such taxpayer's taxable year has a value of at least one hundred dollars.

5. The director shall determine, at least annually, which facilities in this state may be classified as unplanned pregnancy resource centers. The director shall classify a facility as an unplanned pregnancy resource center if such facility meets the definition set forth in subsection 1 of this section.

6. The director shall establish a procedure by which a taxpayer can determine if a facility has been classified as an unplanned pregnancy resource center. Unplanned pregnancy resource centers shall be permitted to decline a contribution from a taxpayer. The cumulative amount of tax credits which may be claimed by all the taxpayers contributing to unplanned pregnancy resource centers in any one fiscal year shall not exceed two million dollars.

7. The director shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax credits are equally apportioned among all facilities classified as unplanned pregnancy resource centers. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.

8. Each unplanned pregnancy resource center shall provide information to the director concerning the identity of each taxpayer making a contribution to the unplanned pregnancy resource center and the amount of the contribution. ### *Senate Amendment No. 3*

AMEND Senate Substitute No. 2 for House Committee Substitute for House Bill No. 889, Page 54, Section 165.011, Line 10 of said page, by inserting after all of said line the following:

"167.126. 1. Children who are admitted to programs or facilities of the department of mental health or whose domicile is one school district in Missouri but who reside in another school district in Missouri as a result of placement arranged by or approved by the department of mental health, the department of social services or placement arranged by or ordered by a court of competent jurisdiction shall have a right to be provided the educational services as provided by law and shall not be denied admission to any appropriate regular public school or special school district program or program operated by the state board of education, as the case may be, where the child actually resides because of such admission or placement; provided, however, that nothing in this section shall prevent the department of mental health, the department of social services or a court of competent jurisdiction from otherwise providing or procuring educational services for such child.

2. Each school district or special school district constituting the domicile of any child for whom educational services are provided or procured under this section shall pay toward the per pupil costs for educational services for such child. A school district which is not a special school district shall pay an amount equal to the average sum produced per child by the local tax effort of the district of domicile. A special school district shall pay an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts.

3. When educational services have been provided by the school district or special school district in which a child actually resides, other than the district of domicile, the amounts as provided in subsection 2 for which the domiciliary school district or special school district is responsible shall be paid by such district directly to the serving district. The school district, or special school district, as the case may be, shall send a written voucher for payment to the regular or special district constituting the domicile of the child served and the domiciliary school district or special school district receiving such voucher shall pay the district providing or procuring the services an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts. In the event the responsible district fails to pay the appropriate amount to the district within ninety days after a voucher is submitted, the state department of elementary and secondary education shall deduct the appropriate amount due from the next payments of any state financial aid due that district and shall pay the same to the appropriate district.

4. In cases where a child whose domicile is in one district is placed in programs or facilities operated by the department of mental health or resides in another district pursuant to assignment by that department or is placed by the department of social services or a court of competent jurisdiction into any type of publicly contracted residential site in Missouri, the department of elementary and secondary education shall, as soon as funds are appropriated, pay the serving district from funds appropriated for that purpose the amount by which the per pupil costs of the educational services exceeds the amounts received from the domiciliary district except that any other state money received by the serving district by virtue of rendering such service shall reduce the balance due.

5. Institutions providing a place of residence for three or more children whose parents or guardians do not reside in the district in which the institution is located shall have [no] authority to enroll such children in a program in the district or special district in which the institution is located [unless the institution contracts for such services and pays the actual per pupil cost for such services or unless such children are assigned pursuant to subsection 1 of this section] **and such enrollment shall be subject to the provisions of subsections 2 and 3 of this section. The provisions of this subsection shall not apply to placement authorized pursuant to subsection 1 of this section or if the placement occurred for the sole purpose of enrollment in the district or special district. "Institution" as used in this subsection means a facility organized under the laws of Missouri for the purpose of providing care and treatment of juveniles.**

6. Children residing in institutions providing a place of residence for three or more such children whose domicile is not in the state of Missouri may be admitted to schools or programs provided on a contractual basis between the school district, special district or state department or agency and the proper department or agency, or persons in the state where domicile is maintained. Such contracts shall not be permitted to place any financial burden whatsoever upon the state of Missouri, its political subdivisions, school districts or taxpayers.

7. For purposes of this section the domicile of the child shall be the school district where the child would have been educated if the child had not been placed in a different school district [by the department of mental health, the department of social services or the court]. No provision of this section shall be construed to deny any child domiciled in Missouri appropriate and necessary, gratuitous public services.

8. For the purpose of distributing state aid under section 163.031, RSMo, a child receiving educational services provided by the district in which the child actually resides, other than the district of domicile, shall be included as an "eligible pupil", as defined under section 163.011, RSMo, of the district providing the educational services for the child.

**9. Each school district or special school district where the child actually resides, other than the district of domicile, may receive payment from the department of elementary and secondary education, in lieu of receiving the local tax effort from the domiciliary school district. Such payments from the department shall be subject to appropriation and shall only be made for children that have been placed in a school other than the domiciliary school district by a state agency or a court of competent jurisdiction and from whom excess educational costs are billed to the department of elementary and secondary education."; and**

Further amend said bill, Page 56, Section 167.151, Line 13 of said page, by inserting after all of said line the following:

"167.171. 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

(1) The pupil shall be given oral or written notice of the charges against such pupil;

(2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;

(3) The pupil shall be given an opportunity to present such pupil's version of the incident; and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261, RSMo, or suspended or expelled pursuant to this section or section 167.161 or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related

conduct. The conference shall include the appropriate school officials including any teacher employed in that district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled **to a regular program of instruction** if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091, RSMo, alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:
  - (a) First degree murder under section 565.020, RSMo;
  - (b) Second degree murder under section 565.021, RSMo;
  - (c) First degree assault under section 565.050, RSMo;
  - (d) Forcible rape under section 566.030, RSMo;
  - (e) Forcible sodomy under section 566.060, RSMo;
  - (f) Robbery in the first degree under section 569.020, RSMo;
  - (g) Distribution of drugs to a minor under section 195.212, RSMo;
  - (h) Arson in the first degree under section 569.040, RSMo;
  - (i) Kidnapping, when classified as a class A felony under section 565.110, RSMo.

Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. **Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.**

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll."; and

Further amend the title and enacting clause accordingly.

#### *Senate Amendment No. 4*

AMEND Senate Substitute No. 2 for House Committee Substitute for House Bill No. 889, Page 37, Section 163.011, Line 5, by inserting immediately after said line the following:

"163.036. 1. In computing the amount of state aid a school district is entitled to receive under section 163.031, a school district may use an estimate of the number of eligible pupils for the ensuing year [or], the number of eligible pupils for the immediately preceding year **or the number of eligible pupils for the second preceding school year**, whichever is greater. Any error made in the apportionment of state aid because of a difference between the actual number of eligible pupils and the estimated number of eligible pupils shall be corrected as provided in section 163.091, except that if the amount paid to a district estimating eligible pupils exceeds the amount to which the district was actually entitled by more than five percent, interest at the rate of six percent shall be charged on the excess and shall be added to the amount to be deducted from the district's apportionment the next succeeding year.

2. Notwithstanding the provisions of subsection 1 of this section or any other provision of law, the state board of education shall make an adjustment for the immediately preceding year for any increase in the actual number of eligible pupils above the number on which the state aid in section 163.031 was calculated. Said adjustment shall be made in the manner providing for

correction of errors under subsection 1 of this section.

3. For the purposes of distribution of state school aid pursuant to section 163.031, a school district may elect to use the district's equalized assessed valuation for the preceding year, or an estimate of the current year's assessed valuation if the current year's equalized assessed valuation is estimated to be more than ten percent less than the district's equalized assessed valuation for the preceding year. A district shall give prior notice to the department of its intention to use the current year's assessed valuation pursuant to this subsection. Any error made in the apportionment of state aid because of a difference between the actual equalized assessed valuation for the current year and the estimated equalized assessed valuation for the current year shall be corrected as provided in section 163.091, except that if the amount paid to a district estimating current equalized assessed valuation exceeds the amount to which the district was actually entitled, interest at the rate of six percent shall be charged on the excess and shall be added to the amount to be deducted from the district's apportionment the next succeeding year."; and

## House Journal

First Regular Session, 90th General Assembly

SEVENTIETH DAY, Thursday, May 13, 1999

Speaker Pro Tem Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Gracious God, we unite our hearts now before You. We are often confused and seem to be at cross-purposes with one another. Take us by the hand, we pray, and help us see things from the best viewpoint for all.

Bless this House, members and staff, as they conclude the business of the people of Missouri. Grant them the ability to work hard and the sacrament of careful reflection on what is best. O Lord, grant that we are adequate.

And to You be glory and honor, forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Colby Gibson, Donna Schaefer, Deanna Brandt and Ryan Bodenhamer.

The Journal of the sixty-ninth day was approved as corrected.

"278.220. 1. If the proposed subdistrict lies in more than one soil and water conservation district, the petition may be presented to the board of soil and water district supervisors of any one of the districts, and the soil and water supervisors of all the districts shall act jointly as a board of soil and water district supervisors with respect **only** to [all matters concerning the subdistrict, including its formation] **matters including the formation, consolidation, expansion or disestablishment of the subdistrict**. They shall organize as a single board for such purposes and shall designate the chairman, vice chairman, and secretary-treasurer to serve for terms of one year. [After organizing, they may continue to meet as a single board for purposes of governing the subdistrict or they may meet as individual county boards and act, individually, on the minutes of meetings of the trustees of the subdistrict, as specified in section 278.240.] A subdistrict which lies in more than one soil and water conservation district shall be formed in the same manner and shall have the same powers and duties as a subdistrict formed in one soil and water conservation district.

2. Following the entry in the official minutes of the board or boards of soil and water district supervisors of the creation of the subdistrict, the soil and water supervisors shall certify this fact on a separate form, authentic copies of which shall be recorded with the recorder of deeds of each county in which any portion of the subdistrict lies, and with the state soil and water districts commission.

278.240. 1. The board of soil and water conservation district supervisors of **the** soil and water conservation district in which the subdistrict is formed shall [be the governing body of] **act in an advisory capacity to the subdistrict board**. When a subdistrict lies in more than one soil and water conservation district, the combined boards of soil and water conservation district supervisors shall [be the governing body] **act in an advisory capacity to the subdistrict**.

2. Five persons living within the subdistrict shall be elected to serve as trustees of the subdistrict. The trustees shall be elected by a majority vote of all landowners participating in the referendum for the establishment of the subdistrict, but the date of the election shall not fall upon the date of any regular political election held in the county. The ballot submitting the proposition to form the subdistrict shall be so worded as to clearly state that a tax, not to exceed forty cents on one hundred dollars valuation of all real estate within the subdistrict, will be authorized if the subdistrict is formed. In subdistricts formed after September 28, 1977, two trustees shall be elected for a term of six years, two shall be elected for a term of four years, and one shall be elected for a term of two years. Their successors shall be elected for terms of six years. In any district in existence on September 28, 1977, the three trustees holding office shall continue as trustees. At the next scheduled election within the subdistrict, two additional trustees shall be elected. One of the additional trustees shall be elected for a term of four years and one shall be elected for a term of six years. Each successor shall be elected for a term of six years. The trustees shall elect one of their members as chairman and one of their members as secretary to serve for terms of two years. [If the governing board so designates the trustees may] **The trustees shall act in all matters pertaining to the subdistrict, except those concerning formation, consolidation, expansion or disestablishment of the subdistrict. [All official actions taken by the trustees, however, shall be subject to the ratification of a majority of the governing boards of the individual soil and water conservation districts from which the subdistrict was formed. No actions taken by the trustees shall become effective until ratification of a majority of the governing boards has taken place. At the next regular meeting following any meeting of the trustees, each governing board may place on their agenda for approval or disapproval the actions taken by the trustees. Failure to take action by any board shall be construed as disapproval of all actions taken by the trustees. It shall be the responsibility of the secretary of the trustees to see that each governing board has a copy of the minutes of each meeting held by the trustees at least two days prior to the next regular meetings of these boards. If the governing board shall decide to continue meeting as a single board for purposes of governing the subdistrict, the trustees shall serve as an advisory body only. The trustees shall be reimbursed for mileage expense incurred in the attendance of meetings of the governing body of the subdistrict and shall also be reimbursed for mileage expense incurred in the attendance of meetings of their own members. One trustee per meeting may be reimbursed for mileage expense incurred in the attendance of meetings of the governing boards of the individual soil and water conservation districts from which the subdistrict was formed.] It shall be the responsibility of the secretary of the trustees to see that each soil and water district board included in the subdistrict is provided a copy of the minutes of each meeting held by the trustees. The trustees shall be reimbursed for expenses incurred relating to the business of the subdistrict.**

278.245. [The governing body of the subdistrict or the trustees of the subdistrict, when acting with the approval of the governing body as provided in section 278.240, shall have, in addition to other authority granted in other sections of this law, the following authority in governing subdistricts] **The trustees of the subdistrict shall have the following authority:**

(1) To acquire, by purchase, exchange, lease, gift, grant, bequest, devise, or otherwise, or through condemnation proceedings [in the manner provided in] **pursuant to** chapter 523, RSMo, such lands, easements, or rights-of-way as are needed to carry out any authorized purpose of the subdistrict; provided that notwithstanding any provision of law to the contrary, the power of eminent domain shall not be exercised over the protest of any landowner until it is established that acquisition of the land proposed to be condemned is necessary for the purposes of the subdistrict; and to sell, lease or otherwise dispose of any of its property or interest therein [in furtherance of the purposes and provisions of] **pursuant to** sections 278.160 to 278.300;

(2) To construct, repair, enlarge, improve, operate, and maintain such works of improvement as may be necessary for the performance of any of the operations authorized by sections 278.160 to 278.300;

(3) To borrow money and to execute promissory notes and other evidences of debt in connection therewith for payment of the costs and expenses or for carrying out any authorized purpose of such subdistrict, and if promissory notes are issued, to execute such mortgages on any property owned by such district, or assign or pledge such revenues or assessments of such subdistrict as may be required by the lender as security for the repayment of the loan; and to issue, negotiate, and sell its bonds [as provided in] **pursuant to** section 278.280;

(4) To levy an annual tax and organization tax on the real property within the subdistrict subject to the limitations provided in section 278.250 for payment of the costs for carrying out any authorized purpose of such subdistrict;

(5) To make assessments on the real property within the subdistrict for special benefits to such real property accruing as a result of the construction of any works of improvement by the subdistrict.

278.250. 1. In order to facilitate the preliminary work of the subdistrict [the governing body of the subdistrict or], the trustees of the subdistrict[, when acting with the approval of the governing body as provided in section 278.240,] may levy an organization tax [of] not to exceed forty cents per one hundred dollars of assessed valuation of all real estate within the subdistrict, the proceeds of which may be used for organization and administration expenses of the subdistrict, the acquisition of real and personal property, including easements for rights-of-way, necessary to carry out the purposes of the subdistrict. This levy may be made one time only. The organization tax may be imposed [as provided for in] **pursuant to** subsections 4 and 5 of this section.

2. After the [governing body or the] trustees of the subdistrict[, when acting with the approval of the governing body as provided in section 278.240,] have obtained agreements to carry out recommended soil conservation measures and proper farm plans from owners of not less than sixty-five percent of the lands situated in the subdistrict, an annual tax may be imposed for construction, repair, alteration, maintenance and operation of the present and future works of improvement within

the boundaries of the subdistrict in order to participate in funds from federal sources appropriated for watershed protection and flood prevention. The annual tax may be imposed as provided for in subsections 4 and 5 of this section.

3. Within the first quarter of each calendar year, the trustees for the subdistrict shall prepare an itemized budget of the funds needed for administration of the subdistrict and for construction, operation and maintenance of works of improvement for the ensuing fiscal year. The budget shall be subject to the approval of the [governing body of the] subdistrict [as provided in] **trustees pursuant to** section 278.240.

4. The [governing body or the] trustees of the subdistrict, [when acting with the approval of the governing body as provided in] **pursuant to** section 278.240, shall make the necessary levy on the assessed valuation of all real estate within the boundaries of the subdistrict to raise the needed amounts, but in no event shall the levy exceed forty cents on each one hundred dollars of assessed valuation per annum and, on or before the first day of September of each year, shall certify the rate of levy to the county commission of the county or counties within which the subdistrict is located with directions that at the time and in the same manner required by law for the levy of taxes for county purposes the county commission shall levy a tax at the rate so fixed and determined upon the assessed valuation of all real estate within the subdistrict, in addition to such other taxes as are levied by the county commission.

5. The body having authority to levy taxes within the county shall levy the taxes provided in this law, and all officials charged with the duty of collecting taxes shall collect the taxes at the time and in the form and manner and with like interest and penalties as other taxes are collected; computation shall be made on the regular tax bills, and when collected shall pay the same to the subdistrict ordering its levy and collection or entitled to the same, and the payment of such collections shall be made monthly to the treasurer of the subdistrict. The proceeds shall be kept in a separate account by the treasurer of the subdistrict and identified by the official name of the subdistrict in which the levy was made. Expenditures from the fund shall be made on requisition of the chairman and secretary of the [governing body of the subdistrict or, alternately, on requisition of the chairman of the governing body of the subdistrict and the chairman of the trustees of the] subdistrict **board of trustees**.

6. All taxes levied under this law, together with interest thereon and penalties for default in payment thereof, and all costs of collecting the same, shall, until paid, constitute a perpetual lien on and against the property taxed, and such lien shall be on a parity with the tax lien of general taxes, and no sale of such property to enforce any general tax or other lien shall extinguish the perpetual lien of subdistrict taxes.

7. If the taxes levied are not paid as provided in this section, then the delinquent real property shall be sold at the regular tax sale for the payment of the taxes, interest and penalties, in the manner provided by the statutes of the state of Missouri for selling property for the nonpayment of general taxes. If there are no bids at the tax sale for the property so offered, the property shall be struck off to the county or other agency provided by law, and the county or agency shall account to the district in the same manner as provided by law for accounting for school, town, and city taxes.

8. For purposes of section 22 of article X of the Constitution of Missouri, the tax authorized in the ballot submitting the proposition to form the subdistrict under section 278.240, if approved by a majority of the voters on or prior to November 4, 1980, shall be deemed the current levy authorized by law on November 4, 1980, if on that date a levy was not actually imposed or was imposed in a lesser amount. This tax shall also be considered as the 1984 tax for purposes of section 137.073, RSMo, in the event no levy was imposed by the subdistrict for that year.

278.280. 1. When a plan of work is approved [the governing body or], the trustees of the subdistrict, [when acting with the approval of the governing body] as provided in section 278.240, shall then by resolution propose that the cost of all works of improvement contemplated in the plan be paid either by a general levy against all real estate in the subdistrict, subject to the limitations of section 278.250, or that such cost be paid by special assessment against lands within the subdistrict to be benefitted by the installation of the proposed works of improvement, or that such cost be paid by both such general levy and special assessment stating the portion to be paid by each method.

2. If the resolution of financing provides that all or any part of the cost of the works of improvement is to be paid by special assessment of benefits [the governing body or] the trustees of the subdistrict **shall**, [when acting with the approval of the governing body] as provided in section 278.240, [shall] appoint three appraisers, who shall be residents of the state of Missouri, and who shall not be landowners in such subdistrict, who shall recommend apportionment of the special assessment to the tracts of land which will receive benefits from the installation of the works of improvement proposed in the plan of work. The appraisers shall have access to all available engineering reports and data pertaining to the works contemplated and may request additional legal counsel or engineering data from a registered professional engineer as found necessary to carry out their duties.

3. The appraisers shall proceed to view the premises and determine the value of all land or other property within or without the subdistrict, to be acquired and used for rights-of-way or other works set out in the plan of work; they shall assess the amount of benefits, and the amount of damage if any, that will accrue to each governmental lot, forty-acre tract or other subdivision of land according to ownership, railroad and other rights-of-way, railroad roadways, and other property from carrying out and putting into effect the plan of work heretofore adopted, and shall make written reports of their findings to the [governing board] **trustees** of the subdistrict. Each appraiser so appointed shall be paid [fifteen dollars per day] for his **or her** services and necessary expenses [in addition thereto].

4. Upon receiving the report from the appraisers, [the governing body or] the trustees of the subdistrict **shall**, [when acting with the approval of the governing body as provided in] **pursuant to** section 278.240, [shall] prepare a resolution which shall contain a list of the tracts of land found to be benefitted and the amount of assessment to be levied against each such tract, except that no such assessment against any tract of land shall exceed the estimated benefits to such land by such project. Such tracts of land shall be legally described and the names of the owners thereof shall be set forth beside the description of each tract so listed. After adopting such resolution [the governing body or], the trustees of the subdistrict **shall**, [when acting

with the approval of the governing body as provided in] **pursuant to** section 278.240, [shall] fix a time and place for hearing any complaint that may be made as to the benefit to any tract of land appraised, notice of which hearing shall be given by the secretary by publication [as in] **pursuant to** section 278.190. The board **of trustees** at the hearing may alter the benefits to any tract if, in its judgment, the same has been appraised too high or too low. The hearing shall be conducted in the manner set forth in section 278.200. The [governing body or the] trustees of the subdistrict **shall**, [when acting with the approval of the governing body as provided in] **pursuant to** section 278.240, [shall] immediately after the hearing pass a resolution fixing the benefit assessment as to each tract of land.

5. After the resolution fixing the benefit assessment has been adopted the [governing body or the] trustees of the subdistrict **shall**, [when acting with the approval of the governing body as provided in] **pursuant to** section 278.240, [shall] submit the proposal for collection of such assessed benefits to the owners of the lands so assessed for approval and if bonds are to be issued the amount of the issue so proposed, the rate of interest, and the amount of any necessary tax levy in excess of the amount authorized in section 278.250. If two-thirds of the owners of such lands voting favor the proposal as submitted, it shall be adopted. The provisions of sections 278.190 to 278.210 as to notice and procedure shall apply to the referendum held [under] **pursuant to** this section.

6. The [governing body or the] trustees of the subdistrict **shall**, [when acting with the approval of the governing body as provided in] **pursuant to** section 278.240, [shall] make the necessary general levy against all real estate in the subdistrict and the special assessment against lands within the subdistrict to be benefited by the improvement and shall certify the rate of levy and the amount of the special assessment to the county commission of the county or counties in which the subdistrict is located with directions that at the time and in the same manner required by law for the levy of taxes for county purposes the county commission shall levy a tax at the rate so fixed and determined upon the assessed valuation of all real estate within the subdistrict and shall levy the amount of the special assessment, in addition to such other taxes as are levied by the county commission.

7. The bond issue, authorized by this section in whole or part, may be offered for sale to the [Farmers Home Administration] **United States Department of Agriculture's Rural Development** or other federal agency without public offering or the securing of competitive bids on such bond offering.

278.290. 1. After a subdistrict has been organized for more than five years and [said] **such** subdistrict does not have any outstanding bonds, has not constructed or contracted to construct any works of improvement, nor incurred any continuing obligations for maintenance and operation of any works of improvement or if any works of improvement have been constructed, if there are no bonds outstanding, and an agency of the United States government or the state of Missouri or a county or municipal corporation of this state has made arrangements satisfactory to the Secretary of Agriculture and the state soil and water districts commission to assume responsibility for operating and maintaining such improvement, not less than fifty percent of the landowners of the subdistrict may petition the [governing body] **soil and water district board** of the subdistrict to call for and conduct a referendum upon the disestablishment of the subdistrict. If sixty-five percent of the landowners voting in referendum do vote in favor of the disestablishment of the subdistrict, the [governing body] **soil and water district board** shall declare the subdistrict to be disestablished; however, prior to any such declaration the [governing body] **soil and water district board** shall pay or make arrangements to pay any outstanding indebtedness. The provisions of sections 278.190, 278.200 and 278.210 as to notice, qualification of voters and manner of holding the referendum in organizing a subdistrict to the extent practicable shall apply to the referendum held [under] **pursuant to** this section.

2. Following the entry in the official minutes of the board or boards of soil and water conservation district supervisors of the disestablishment of the subdistrict, the soil and water conservation district supervisors shall certify this fact on a separate form, authentic copies of which shall be recorded with the recorder of deeds of each county in which any portion of the subdistrict lies, and with the state soil and water districts commission.

3. Whenever a subdistrict is declared to be disestablished, the respective boards of supervisors of the soil and water conservation districts in which the subdistrict was formed shall take charge of all property and funds of the subdistrict. After all property has been sold and the obligations of the subdistrict are met, any remaining funds shall be turned over to the county commissions of the respective counties.

278.300. If a soil and water conservation district is disestablished [as provided by] **pursuant to** section 278.150, the state soil and water districts commission shall [become the governing body] **have the same responsibilities as the soil and water conservation district with respect to formation, consolidation and disestablishment** of any subdistrict or portion thereof, organized within the boundaries of such soil and water conservation districts [and shall be entitled to all benefits and powers heretofore granted to such governing body by sections 278.160 to 278.300, including the levy and collection of taxes]. **In all other matters, the commission shall act in an advisory capacity.**"; and

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452, RSMo;

*House Amendment No. 10*

AMEND House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 1, 92, 111, 129 & 222, Page 47, Section 453.072, Line 5 of said page, by inserting after all of said line the following:

"455.035. 1. Upon the filing of a verified petition [under] **pursuant to** sections 455.010 to 455.085 and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of abuse to the petitioner shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall [be in effect until the time of the hearing.] **take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion.**

**2. Failure to serve an ex parte order of protection on the respondent shall not affect the validity or enforceability of such order. Furthermore, the penalty provided by subsection 7 of section 455.085 shall not apply to any person who has not been served with an ex parte order of protection.**

455.040. 1. Not later than fifteen days after the filing of a petition [under] **pursuant to** sections 455.010 to 455.085 a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of abuse or stalking by a preponderance of the evidence, the court shall issue a full order of protection for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the originally issued full order of protection. If for good cause a hearing cannot be held on the motion to renew the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. Upon motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. For purposes of this subsection, a finding by the court of a subsequent act of abuse is not required for a renewal order of protection.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be [personally] served upon the respondent [by personal process server] as provided by law or by any sheriff or police officer at least three days prior to such hearing. Such **notice** shall be served at the earliest time, and service of such **notice** shall take priority over service in other actions, except those of a similar emergency nature. The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at [his] **the respondent's** last known address. Failure to serve or mail a copy of the full order of protection to the respondent shall not affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted [under] **pursuant to** sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted. The law enforcement agency responsible for maintaining MULES shall enter information contained in the order for purposes of verification within twenty-four hours from the time the order is granted. A notice of expiration or of termination of any order of protection shall be issued to the local law enforcement agency and to the law enforcement agency responsible for maintaining MULES or any other comparable law enforcement system. The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system."; and

"167.126. 1. Children who are admitted to programs or facilities of the department of mental health or whose domicile is one school district in Missouri but who reside in another school district in Missouri as a result of placement arranged by or approved by the department of mental health, the department of social services or placement arranged by or ordered by a court of competent jurisdiction shall have a right to be provided the educational services as provided by law and shall not be denied admission to any appropriate regular public school or special school district program or program operated by the state board of education, as the case may be, where the child actually resides because of such admission or placement; provided, however, that nothing in this section shall prevent the department of mental health, the department of social services or a court of competent jurisdiction from otherwise providing or procuring educational services for such child.

2. Each school district or special school district constituting the domicile of any child for whom educational services are provided or procured under this section shall pay toward the per pupil costs for educational services for such child. A school district which is not a special school district shall pay an amount equal to the average sum produced per child by the local tax effort of the district of domicile. A special school district shall pay an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts.

3. When educational services have been provided by the school district or special school district in which a child actually resides, other than the district of domicile, the amounts as provided in subsection 2 for which the domiciliary school district or special school district is responsible shall be paid by such district directly to the serving district. The school district, or special school district, as the case may be, shall send a written voucher for payment to the regular or special district constituting the domicile of the child served and the domiciliary school district or special school district receiving such voucher shall pay the district providing or procuring the services an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts. In the event the responsible district fails to pay the appropriate amount to the district within ninety days after a voucher is submitted, the state department of elementary and secondary education shall deduct the appropriate amount due from the next payments of any state financial aid due that district and shall pay the same to the appropriate district.

4. In cases where a child whose domicile is in one district is placed in programs or facilities operated by the department of mental health or resides in another district pursuant to assignment by that department or is placed by the department of social services or a court of competent jurisdiction into any type of publicly contracted residential site in Missouri, the department of elementary and secondary education shall, as soon as funds are appropriated, pay the serving district from funds appropriated for that purpose the amount by which the per pupil costs of the educational services exceeds the amounts received from the domiciliary district except that any other state money received by the serving district by virtue of rendering such service shall reduce the balance due.

5. Institutions providing a place of residence for [three or more] children whose parents or guardians do not reside in the district in which the institution is located shall have [no] authority to enroll such children in a program in the district or special district in which the institution is located [unless the institution contracts for such services and pays the actual per pupil cost for such services or unless such children are assigned pursuant to subsection 1 of this section] **and such enrollment shall be subject to the provisions of subsections 2 and 3 of this section. The provisions of this subsection shall not apply to placement authorized pursuant to subsection 1 of this section or if the placement occurred for the sole purpose of enrollment in the district or special district. "Institution" as used in this subsection means a facility organized under the laws of Missouri for the purpose of providing care and treatment of juveniles.**

6. Children residing in institutions providing a place of residence for three or more such children whose domicile is not in the state of Missouri may be admitted to schools or programs provided on a contractual basis between the school district, special district or state department or agency and the proper department or agency, or persons in the state where domicile is maintained. Such contracts shall not be permitted to place any financial burden whatsoever upon the state of Missouri, its political subdivisions, school districts or taxpayers.

7. For purposes of this section the domicile of the child shall be the school district where the child would have been educated if the child had not been placed in a different school district [by the department of mental health, the department of social services or the court]. No provision of this section shall be construed to deny any child domiciled in Missouri appropriate and necessary, gratuitous public services.

8. For the purpose of distributing state aid under section 163.031, RSMo, a child receiving educational services provided by the district in which the child actually resides, other than the district of domicile, shall be included as an "eligible pupil", as defined under section 163.011, RSMo, of the district providing the educational services for the child.

**9. Each school district or special school district where the child actually resides, other than the district of domicile, may receive payment from the department of elementary and secondary education, in lieu of receiving the local tax effort from the domiciliary school district. Such payments from the department shall be subject to appropriation and shall only be made for children that have been placed in a school other than the domiciliary school district by a state agency or a court of competent jurisdiction and from whom excess educational costs are billed to the department of elementary and secondary education.**

167.171. 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the

superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

(1) The pupil shall be given oral or written notice of the charges against such pupil;

(2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;

(3) The pupil shall be given an opportunity to present such pupil's version of the incident; and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261, RSMo, or suspended or expelled pursuant to this section or section 167.161 or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled **to a regular program of instruction** if:

(1) Such pupil has been convicted of; or

(2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or

(3) A petition has been filed pursuant to section 211.091, RSMo, alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or

(4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:

(a) First degree murder under section 565.020, RSMo;

(b) Second degree murder under section 565.021, RSMo;

(c) First degree assault under section 565.050, RSMo;

(d) Forcible rape under section 566.030, RSMo;

(e) Forcible sodomy under section 566.060, RSMo;

(f) Robbery in the first degree under section 569.020, RSMo;

(g) Distribution of drugs to a minor under section 195.212, RSMo;

(h) Arson in the first degree under section 569.040, RSMo;

(i) Kidnapping, when classified as a class A felony under section 565.110, RSMo.

Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. **Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.**

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted

in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll."; and

"302.020. 1. Unless otherwise provided for by law, it shall be unlawful for any person, except those expressly exempted by section 302.080, to:

- (1) Operate any vehicle upon any highway in this state unless the person has a valid license;
- (2) Operate a motorcycle or motortricycle upon any highway of this state unless such person has a valid license that shows the person has successfully passed an examination for the operation of a motorcycle or motortricycle as prescribed by the director. The director may indicate such upon a valid license issued to such person, or shall issue a license restricting the applicant to the operation of a motorcycle or motortricycle if the actual demonstration, required by section 302.173, is conducted on such vehicle;
- (3) Authorize or knowingly permit a motorcycle or motortricycle owned by such person or under such person's control to be driven upon any highway by any person whose license does not indicate that the person has passed the examination for the operation of a motorcycle or motortricycle or has been issued an instruction permit therefor;
- (4) Operate a motor vehicle with an instruction permit or license issued to another person.

2. Every person operating or riding as a passenger on any motorcycle or motortricycle, as defined in section 301.010, RSMo, upon any highway of this state shall wear protective headgear at all times the vehicle is in motion. The protective headgear shall meet reasonable standards and specifications established by the director.

**3. Notwithstanding the provisions of section 302.340 any person convicted of violating subdivision (1) or (2) of subsection 1 of this section is guilty of a class A misdemeanor. Any person convicted a third or subsequent time of violating subdivision (1) or (2) of subsection 1 of this section is guilty of a class D felony.** Notwithstanding the provisions of section 302.340, violation of **subdivisions (3) and (4) of subsection 1 of this section** [shall be deemed] is a class C misdemeanor and the penalty for failure to wear protective headgear as required by subsection 2 of this section [shall be deemed] is an infraction for which a fine not to exceed twenty-five dollars may be imposed. Notwithstanding all other provisions of law and court rules to the contrary, no court costs shall be imposed upon any person due to such violation. No points shall be assessed pursuant to section 302.302 for a failure to wear such protective headgear.

302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege has been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege has been suspended under the provisions of subdivision [(7)] **(8)** of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision [(9)] **(10)** of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, RSMo, and is otherwise eligible, shall be reinstated as follows:

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision [(7)] **(8)** of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision [(9)] **(10)** of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege issued by the director of revenue for the limited purpose of driving between a residence and a place of employment, or to and from an alcohol education or treatment program, or for both between a residence and a place of employment and to and from such a program. Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, RSMo, the license and driving privilege shall be reinstated.
6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, RSMo, the person's driving privilege and license shall be resuspended.

7. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, RSMo, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege has been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a hardship driving privilege granted by a court.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision [(7), (8) or (9)] **(8), (9) or (10)** of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, except the department may waive such requirement upon completion of a comparable program or upon good cause shown or the court may waive such requirement upon good cause shown. The court in making this determination shall consider the person's driving record, the circumstances surrounding the offense and the likelihood of the person committing a like offense in the future. Assignment recommendations, based upon the needs assessment as described in subdivision (21) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo, after reviewing such assessment. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Such assessment and compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee of sixty dollars. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. The supplemental fees received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo."; and

"302.505. 1. The department shall suspend or revoke the license of any person upon its determination that the person was arrested upon probable cause to believe such person was driving a motor vehicle while the alcohol concentration in the person's blood, breath, or urine was [ten-hundredths] **eight-hundredths** of one percent or more by weight, based on the definition of alcohol concentration in section 302.500, or where such person was less than twenty-one years of age when stopped and was stopped upon probable cause to believe such person was driving while intoxicated in violation of section 577.010, RSMo, or driving with excessive blood alcohol content in violation of section 577.012, RSMo, or upon probable cause to believe such person violated a state, county or municipal traffic offense and such person was driving with a blood alcohol content of two-hundredths of one percent or more by weight.

2. The department shall make a determination of these facts on the basis of the report of a law enforcement officer required in section 302.510, and this determination shall be final unless a hearing is requested and held. If a hearing is held, the department shall review the matter and make a final determination on the basis of evidence received at the hearing.

3. The determination of these facts by the department is independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect any suspension or revocation under this section.

302.510. 1. Except as provided in subsection 3 of this section, a law enforcement officer who arrests any person for a violation of any state statute related to driving while intoxicated or for a violation of a county or municipal ordinance prohibiting driving while intoxicated or a county or municipal alcohol related traffic offense, and in which the alcohol concentration in the person's blood, breath, or urine was [ten-hundredths] **eight-hundredths** of one percent or more by weight or two-hundredths of one percent or more by weight for anyone less than twenty-one years of age, shall forward to the department a verified report of all information relevant to the enforcement action, including information which adequately identifies the arrested person, a statement of the officer's grounds for belief that the person violated any state statute related to driving while intoxicated or was less than twenty-one years of age and was driving with two-hundredths of one percent or more by weight of alcohol in the person's blood, or a county or municipal ordinance prohibiting driving while intoxicated or a county or municipal alcohol related traffic offense, a report of the results of any chemical tests which were conducted, and a copy of the citation and complaint filed with the court.

2. The report required by this section shall be made on forms supplied by the department or in a manner specified by regulations of the department.

3. A county or municipal ordinance prohibiting driving while intoxicated or a county or municipal alcohol related traffic offense may not be the basis for suspension or revocation of a driver's license pursuant to sections 302.500 to 302.540, unless the arresting law enforcement officer, other than an elected peace officer or official, has been certified by the director of the department of public safety pursuant to the provisions of sections 590.100 to 590.180, RSMo.

302.541. 1. In addition to other fees required by law, any person who has had a license to operate a motor vehicle suspended or revoked following a determination, pursuant to section 302.505, or section 577.010, 577.012, 577.041 or 577.510, RSMo, or any county or municipal ordinance, where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney, that such person was driving while intoxicated or with a blood alcohol content of [ten-hundredths] **eight-hundredths** of one percent or more by weight or, where such person was at the time of the arrest less than twenty-one years of age and was driving with a blood alcohol content of two-hundredths of one percent or more by weight, shall pay an additional fee of twenty-five dollars prior to the reinstatement or reissuance of the license.

2. Any person less than twenty-one years of age whose driving privilege has been suspended or revoked solely for a first determination pursuant to sections 302.500 to 302.540 that such person was driving a motor vehicle with two-hundredths of one percent or more blood alcohol content is exempt from filing proof of financial responsibility with the department of revenue in accordance with chapter 303, RSMo, as a prerequisite for reinstatement of driving privileges or obtaining a restricted driving privilege as provided by section 302.525."; and

Further amend said bill, Page 115, Section 303.179, Line 7 of said page, by inserting after all of said line the following:

"577.012. 1. A person commits the crime of "driving with excessive blood alcohol content" if such person operates a motor vehicle in this state with [ten-hundredths] **eight-hundredths** of one percent or more by weight of alcohol in such person's blood.

2. As used in this section, percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood or two hundred ten liters of breath and may be shown by chemical analysis of the person's blood, breath, saliva or urine. For the purposes of determining the alcoholic content of a person's blood under this section, the test shall be conducted in accordance with the provisions of sections 577.020 to 577.041.

3. For the first offense, driving with excessive blood alcohol content is a class C misdemeanor.

577.037. 1. Upon the trial of any person for violation of any of the provisions of section 565.024, RSMo, or section 565.060, RSMo, or section 577.010 or 577.012, or upon the trial of any criminal action or violations of county or municipal ordinances or in any license suspension or revocation proceeding pursuant to the provisions of chapter 302, RSMo, arising out of acts alleged to have been committed by any person while driving a motor vehicle while in an intoxicated condition, the amount of alcohol in the person's blood at the time of the act alleged as shown by any chemical analysis of the person's blood, breath, saliva or urine is admissible in evidence and the provisions of subdivision (5) of section 491.060, RSMo, shall not prevent the admissibility or introduction of such evidence if otherwise admissible. If there was [ten-hundredths] **eight-hundredths** of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.

2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood or grams of alcohol per two hundred ten liters of breath.

3. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was intoxicated.

4. A chemical analysis of a person's breath, blood, saliva or urine, in order to give rise to the presumption or to have the effect provided for in subsection 1 of this section, shall have been performed as provided in sections 577.020 to 577.041 and in accordance with methods and standards approved by the state department of health.

5. Any charge alleging a violation of section 577.010 or 577.012 or any county or municipal ordinance prohibiting driving while intoxicated or driving under the influence of alcohol shall be dismissed with prejudice if a chemical analysis of the defendant's breath, blood, saliva, or urine performed in accordance with sections 577.020 to 577.041 and rules promulgated thereunder by the state department of health demonstrate that there was less than [ten-hundredths] **eight-hundredths** of one percent of alcohol in the defendant's blood unless one or more of the following considerations cause the court to find a dismissal unwarranted:

(1) There is evidence that the chemical analysis is unreliable as evidence of the defendant's intoxication at the time of the alleged violation due to the lapse of time between the alleged violation and the obtaining of the specimen;

(2) There is evidence that the defendant was under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol; or

(3) There is substantial evidence of intoxication from physical observations of witnesses or admissions of the defendant."; and

2. No person shall manufacture in this state any manufactured home, [recreational vehicle,] or modular unit for rent, lease or sale within the state which does not bear a seal evidencing compliance with the code.

3. Unless otherwise required by federal law or regulations, nothing in sections 700.010 to 700.115 shall apply to a manufactured home, [recreational vehicle,] or modular unit being built expressly for export and sold for use solely outside this state.

700.021. Seals may be issued by the commission when applied for with an affidavit certifying that the person applying will not attach a seal to any manufactured home, [recreational vehicle,] or modular unit that does not meet or exceed the code. Any registered dealer who has acquired a preowned manufactured home or modular unit without a seal may apply for a seal with an affidavit certifying that the preowned manufactured home or modular unit was brought up to or otherwise meets the requirements of the code. No person may manufacture in this state any manufactured home or modular unit unless it bears a seal and certification certifying that the manufactured home or modular unit meets or exceeds the code. The certificate as to each manufactured home or modular unit shall be displayed in a manner to be prescribed by the commission.

700.025. No person shall alter or cause to be altered any manufactured home, [recreational vehicle,] or modular unit to which a seal has been affixed, if such alteration or conversion causes the manufactured home, [recreational vehicle,] or modular unit to be in violation of the code.

700.030. Upon showing by a registered manufacturer or dealer that another state provides for the sealing of manufactured homes, [recreational vehicles,] or modular units in compliance with standards which are at least equal to those provided in the code and upon determination by the commission that such standards are being adequately enforced, the commission shall provide that a seal affixed under the authority of such state shall have the same effect as a seal affixed under authority of this state. The commission may make any such approval contingent upon such other state granting reciprocal effect to seals affixed under authority of this state and shall maintain a list of such states which shall be available on request.

700.035. 1. If a manufactured home, [recreational vehicle] or modular unit carries a seal as provided in sections 700.010 to 700.115, no agency of this state, nor any municipality or other local governmental body shall require such manufactured home, [recreational vehicle,] or modular unit to comply with any other building, plumbing, heating or electrical code other than the code established by sections 700.010 to 700.115.

**2. No agency of this state, nor any municipality or other local governmental body shall:**

**(2) Institute any recreational vehicle or recreational park trailer inspection program to determine such vehicles' compliance with the applicable ANSI A119.2 or A119.5 standard.**

700.040. 1. The commission shall, through its own inspection service or through a public or private inspection service acting as its authorized representative, perform sufficient inspections of manufacturing and dealer premises and manufactured homes, [recreational vehicles,] and modular units to ensure that the provisions of the code are being observed. The commission shall approve any designation of a public or private inspection service as an authorized representative. The commission shall establish a comprehensive inspection system, including a determination of the extent to which its own inspectors or authorized representatives are used. The inspections may include examination of all books, records, performance and technical data of a manufacturer related to the subject matter of sections 700.010 to 700.115.

2. The commission shall establish reasonable fees for seals or inspection, or both, which are sufficient to cover all costs incurred in the administration of sections 700.010 to 700.115. Fees for inspections made by private inspection services may be paid directly to the inspection service. The commission, upon issuing seals, registration certificates, and plan approvals, and conducting inspections provided for in sections 700.010 to 700.115, shall notify the director of revenue, who shall receive the fees and immediately deposit the same in the state treasury to the credit of a fund to be known as the "Manufactured Housing Fund". All salaries and expenses for the implementation of sections 700.010 to 700.115 shall be appropriated and paid from such fund.

3. The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and

placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds two times the amount of the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the fund for the preceding year.

4. The commission may appoint such employees within its department as it may deem necessary for the administration of the provisions of sections 700.010 to 700.115.

5. The commission may issue and promulgate such rules and regulations as necessary to make effective the code and the provisions of sections 700.010 to 700.115. [No rule or portion of a rule promulgated under the authority of sections 700.010 to 700.115 shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.] **Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated under the authority delegated in sections 700.010 to 700.115 shall become effective only if they have been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to the effective date of this section is of no force and effect; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to the effective date of this section if it fully complied with the provisions of chapter 536, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.**

6. The commission may remove seals from any manufactured home, [recreational vehicle] or modular unit made by any manufacturer in violation of the provisions of section 700.045.

7. Notwithstanding any other provisions of sections 700.010 to 700.115, the commission shall have the authority to enter into any contract or agreement necessary to comply with the statutes and regulations enforced by and under the authority of the United States Department of Housing and Urban Development relating to manufactured homes, [recreational vehicles] and modular housing.

8. The commission may require manufacturers and dealers to file reports with the Secretary of the United States Department of Housing and Urban Development as may be required under the provisions of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401, et seq.).

700.045. It shall be a misdemeanor:

(1) For a manufacturer or dealer to manufacture, rent, lease, sell or offer to sell any manufactured home, [recreational vehicle] or modular unit after January 1, 1977, unless there is in effect a registration with the commission;

(2) To rent, lease, sell or offer to sell any manufactured home or modular unit manufactured after January 1, 1974, [or any new recreational vehicle] which does not bear a seal as required by sections 700.010 to 700.115;

(3) To affix a seal or cause a seal to be affixed to any manufactured home, [recreational vehicle,] or modular unit which does not comply with the code;

(4) To alter a manufactured home, [recreational vehicle,] or modular unit in a manner prohibited by the provisions of sections 700.010 to 700.115;

(5) To fail to correct a code violation in a manufactured home, [recreational vehicle,] or modular unit owned, manufactured or sold within a reasonable time not to exceed ninety days after being ordered to do so in writing by an authorized representative of the commission, if the same is manufactured after January 1, 1974; or

(6) To interfere with, obstruct, or hinder any authorized representative of the commission in the performance of his duties.

700.050. The issuance of seals to any manufacturer in violation of the provisions of sections 700.010 to 700.115 may be suspended by the commission and no further seals shall be issued to any such manufacturer except upon proof satisfactory to the commission that the conditions which brought about the violation have been remedied. Seals remain the property of the state and may be removed by the commission from any manufactured home, [recreational vehicle,] or modular unit which is in violation of the code.

700.060. As used in sections 700.060 to 700.115, the term "manufactured home" shall also include units defined in section 700.010 if such units are in two or more separately towable components designed to be joined into one integral unit capable of being again separated into the components for repeated towing and includes two manufactured home units joined into a single residential or business unit which are kept on separate chassis for repeated towing. For the purposes of sections 700.060 to 700.115, a "manufactured home" shall not include a recreational vehicle **or a recreational park trailer**.

700.090. 1. Every manufacturer or dealer of manufactured homes who sells or offers for sale, on consignment or otherwise, a manufactured home, [recreational vehicle,] or modular unit from or in the state of Missouri shall register with the commission.

4. The registration of any manufacturer or dealer shall be effective for a period of one year and shall be renewed by the commission upon receipt by it from the registered dealer of a renewal fee of two hundred fifty dollars for manufacturers and fifty dollars for dealers and a form provided by the commission upon which shall be placed any changes from the information requested on the initial registration form.

5. The commission may stagger the renewal of certificates of registration to provide for more equal distribution over the twelve months of the number of registration renewals.

700.100. 1. The commission may refuse to register or refuse to renew the registration of any person who fails to comply with the provisions of section 700.090 or this section. Notification of unfavorable action by the commission on any application for registration or renewal of registration must be delivered to the applicant within thirty days from date it is received by the commission. Notification of unfavorable action by the commission on any application for registration or renewal of registration must be accompanied by a notice informing the recipient that the decision of the commission may be appealed as provided in chapter 386, RSMo.

2. The commission may consider a complaint filed with it charging a registered manufacturer or dealer with a violation of the provisions of this section, which charges, if proven, shall constitute grounds for revocation or suspension of his registration, or the placing of the registered manufacturer or dealer on probation.

3. The following specifications shall constitute grounds for the suspension, revocation or placing on probation of a manufacturer's or dealer's registration:

116.080. 1. Each petition circulator [must be a Missouri registered voter and a resident of Missouri.] **shall be at least eighteen years of age and registered with the secretary of state. Signatures collected by any circulator who has not registered with the secretary of state pursuant to this chapter on or before 5:00 p.m. on the final day for filing petitions with the secretary of state shall not be counted.**

2. Each petition circulator shall supply the following information to the secretary of state's office:

3. The circulator information required in subsection 2 of this section shall be submitted to the secretary of state's office with the following oath and affirmation:

**I HEREBY SWEAR OR AFFIRM UNDER PENALTY OF PERJURY THAT ALL STATEMENTS MADE BY ME ARE TRUE AND CORRECT.**

4. Each petition circulator shall subscribe and swear to the proper affidavit on each petition page [he] **such circulator** submits before a notary public commissioned in Missouri. When notarizing a circulator's signature, a notary public shall sign his **or her** official signature and affix his **or her** official seal to the affidavit only if the circulator personally appears before the notary and subscribes and swears to the affidavit in his **or her** presence.

**5. Any circulator who falsely swears to a circulator's affidavit knowing it to be false is guilty of a class A misdemeanor punishable, notwithstanding the provisions of section 560.021, RSMo, to the contrary, for a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both.**

116.090. 1. Any person who signs any name other than his own to any petition, or who knowingly signs his **or her** name more than once for the same measure for the same election, or who knows he **or she** is not at the time of signing or circulating the same a Missouri registered voter and a resident of this state, shall, upon conviction thereof, be guilty of a class A misdemeanor **punishable, notwithstanding the provisions of section 560.021, RSMo, to the contrary, for a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both.**

**2. 116.100. The secretary of state shall not accept any referendum petition submitted later than 5:00 p.m. on the final day for filing referendum petitions. The secretary of state shall not accept any initiative petition submitted later than 5:00 p.m. on the final day for filing initiative petitions. **All pages shall be submitted at one time.** When an initiative or referendum petition is submitted to the secretary of state, the signature pages shall be in order and numbered sequentially by county, except in counties that include multiple congressional districts, the signatures may be ordered and numbered using an alternate numbering scheme approved in writing by the secretary of state prior to submission of the petition. Any petition that is not submitted in accordance with this section, disregarding clerical and merely technical errors, shall be rejected as insufficient. After verifying the count of signature pages, the secretary of state shall issue a receipt indicating the number of pages presented from each county. 116.120. 1. When an initiative or referendum petition is submitted to the secretary of state, he or she shall examine the petition to determine whether it complies with the Constitution of Missouri and with this chapter. **Signatures on petition pages that have been collected by any person who is not properly registered with the secretary of state as a circulator shall not be counted as valid. Signatures on petition pages that do not have the official ballot title affixed to the page shall not be counted as valid.** The secretary of state may verify the signatures on the petition by use of random sampling. The random sample of signatures to be verified shall be drawn in such a manner that every signature properly filed with the secretary of state shall be given an equal opportunity to be included in the sample. **The process for establishing the random sample and determining the statistically valid result shall be established by the secretary of state.** Such a random sampling shall include an examination of five percent of the signatures.

2. If the random sample verification establishes that the number of valid signatures is less than ninety percent of the number of qualified voters needed to find the petition sufficient in a congressional district, the petition shall be deemed to have failed to qualify in that district. In finding a petition insufficient, the secretary of state does not need to verify all congressional districts on each petition submitted if verification of only one or more districts establishes the petition as insufficient.

3. If the random sample verification establishes that the number of valid signatures total more than one hundred ten percent of the number of qualified voters needed to find the petition sufficient in a congressional district, the petition shall be deemed to qualify in that district.

4. If the random sampling shows the number of valid signatures within a congressional district is within ninety to one hundred ten percent of the number of signatures of qualified voters needed to declare the petition sufficient in that district, the secretary of state shall order the examination and verification of each signature filed.

116.130. 1. The secretary of state may send copies of petition pages to election authorities to verify that the persons whose names are listed as signers to the petition are registered voters. Such verification may either be of each signature or by random sampling as provided in section 116.120, as the secretary shall direct. If copies of the petition pages are sent to an election authority for verification, such copies shall be sent [not later than two weeks after the petition is submitted if the election authority is to verify each signature and not later than three weeks after the petition is submitted if verification is to occur by random sampling as provided in section 116.120] **pursuant to the following schedule:**

**(1) Copies of all pages from not less than one petition shall be received in the office of the election authority not later than two weeks after the petition is filed in the office of secretary of state;**

**(2) Copies of all pages of a total of three petitions shall be received in the office of the election authority not later than three weeks after the petition is filed in the office of the secretary of state;**

**(3) If more than three petitions are filed, all copies of petition pages, including those petitions selected for verification by random sample pursuant to section 116.120, shall be received in the office of the election authority not later than the fourth week after the petition is filed in the office of the secretary of state.**

Each election authority shall check the signatures against voter registration records in the election authority's jurisdiction, but the election authority shall count as valid only the signatures of persons registered as voters in the county named in the circulator's affidavit. **Signatures shall not be counted as valid if they have been struck through or crossed out.**

2. If the election authority is requested to verify the petition by random sampling, such verification [must] **shall** be completed and certified not later than two weeks from the date **that** the election authority receives the petition from the secretary of state. If the election authority is to verify each signature, such verification must be completed, certified and delivered to the secretary of state by 5:00 p.m. on the [eleventh] **last Tuesday in July** prior to the election, **or in the event of complete verification of signatures after a failed random sample, full verification shall be completed, certified and delivered to the secretary of state by 5:00 p.m. on the last Tuesday in July or by 5:00 p.m. on the Friday of the fifth week after receipt of the signatures by the local election authority, whichever is later.**

[2.] 3. If the election authority or the secretary of state determines that the congressional district number written after the signature of any voter is not the congressional district of which the voter is a resident, the election authority or the secretary of state shall correct the congressional district number on the petition page. Failure of a voter to give the voter's correct congressional district number shall not by itself be grounds for not counting the voter's signature.

[3.] 4. The election authority shall return the copies of the petition pages to the secretary of state with annotations regarding any invalid or questionable signatures which the election authority has been asked to check by the secretary of state. The election authority shall verify the number of pages received for that county, and also certify the total number of valid signatures of voters from each congressional district which the election authority has been asked to check by the secretary of state.

[4.] 5. The secretary of state is authorized to adopt rules to ensure uniform, complete, and accurate checking of petition signatures either by actual count or random sampling. No rule or portion of a rule promulgated [under the authority of] **pursuant to** this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.

[5.] 6. After a period of three years from the time of submission of the petitions to the secretary of state, the secretary of state, if the secretary determines that retention of such petitions is no longer necessary, may destroy such petitions [or return them to the person submitting them upon written request from such person. Returned petitions shall be stamped by the secretary of state to indicate that such petitions are no longer valid].

116.150. 1. After the secretary of state makes [his] a determination on the sufficiency of the petition and if [he] **the secretary of state** finds it sufficient, [he] **the secretary of state** shall issue a certificate setting forth that the petition contains a sufficient number of valid signatures to comply with the Constitution of Missouri and with this chapter.

2. The secretary of state shall issue a certificate only for a petition approved pursuant to section 116.332. If the secretary of state finds the petition insufficient, [he] **the secretary of state** shall issue a certificate stating the reason for the insufficiency.

3. **The secretary of state shall issue a certificate pursuant to this section not later than 5:00 p.m. on the thirteenth Tuesday prior to the general election or two weeks after the date the election authority certifies the results of a petition verification pursuant to subsection 2 of section 116.130, whichever is later.**

116.155. 1. **The general assembly may include the official summary statement and a fiscal note summary in any statewide ballot measure that it refers to the voters.**

2. **The official summary statement approved by the general assembly shall, taken together with the approved fiscal note summary, be the official ballot title and such summary statement shall contain no more than fifty words, excluding articles. The title shall be a true and impartial statement of the purposes of the proposed measure in language neither intentionally argumentative nor likely to create prejudice either for or against the proposed measure.**

3. **The fiscal note summary approved by the general assembly shall contain no more than fifty words, excluding articles, which shall summarize the fiscal note prepared for the measure in language neither argumentative nor likely to create prejudice for or against the proposed measure.**

116.160. 1. [After] **If the general assembly adopts a joint resolution proposing a constitutional amendment or a bill without a fiscal note summary, which is to be referred to a vote of the people [and it has been delivered to the secretary of state], after receipt of such resolution or bill the secretary of state shall promptly forward the resolution or bill to the state auditor. If the general assembly adopts a joint resolution proposing a constitutional amendment or a bill without an official summary statement, which is to be referred to a vote of the people, within twenty days after receipt of the resolution or bill, the secretary of state shall prepare and transmit to the attorney general a summary statement of the measure as the proposed summary statement. The secretary of state may seek the advice of the legislator who introduced the constitutional amendment or bill and the speaker of the house or the president pro tem of the legislative chamber that originated the measure. The summary statement may be distinct from the legislative title of the proposed constitutional amendment or bill. The attorney general shall within ten days approve the legal content and form of the proposed statement.**

### LETTER OF OBJECTION

Comes now, the undersigned duly elected members of the Missouri House of Representatives to present the following objection, pursuant to Article III, Section 30, of the Missouri Constitution, to Senate Substitute # 3 for Senate Committee

Substitute for House Substitute for House Committee Substitute for House Bill Nos. 427, 40, 196 & 404. This legislation should not be signed because it is constitutionally infirm, and this objection shall be so noted in the Journal and annexed to the bill for the governor's consideration.

We believe that Senate Substitute # 3 for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill Nos. 427, 40, 196 & 404 is constitutionally defective because, in violation of the United States Constitution, it does not contain an exception for the mother's health. The Supreme Court has held that "even a law limited to viable fetuses . . . must make an exception for pregnancies which endanger the woman's life or *health*." (*Planned Parenthood v. Casey*, 505 U.S. 833 cited in *Planned Parenthood of Wisconsin v. Doyle*, 162 F.3d 463 at 467 (emphasis in original)). Senate Substitute # 3 only contains an exception to "save a life of the mother during pregnancy or birth." Because Senate Substitute #3 fails to protect the mother's health, the substitute impermissibly impairs a woman's liberty interest and right to privacy as repeatedly and consistently asserted by the Supreme Court in *Roe v. Wade*, 410 U.S. 113 (1973), *Doe v. Bolton*, 410 U.S. 179 (1973), and *Planned Parenthood v. Casey*, 505 U.S. 833 (1992).

For the above stated reason and other reasons not stated here, we conclude that the Senate Substitute #3 for Senate Committee Substitute for House Substitute for House Committee Substitute to House Bill Nos. 427, 40, 196 & 404 as Truly Agreed and Finally Passed by the Ninetieth General Assembly is unconstitutional and should not be signed.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 9 entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds and distributions of the Department of Corrections, and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 1999 and ending June 30, 2000.

Section 9.400

I hereby veto \$100,000 general revenue for a transportation pilot program for inmate families. These funds were not requested by the Department of Corrections. The funding provided is inadequate to address the statewide scope of the intended program and it is questionable whether this is an appropriate use of state funds. The Department of Corrections will continue to work with volunteer organizations to facilitate visits for inmates.

For the purpose of funding a pilot project for transportation services to and from correctional facilities provided through a competitive bid process, which would supplement provider's operating costs.

Expense and Equipment by \$100,000 from \$100,000 to \$0.

From \$1,975,498 to \$1,875,498 in total from General Revenue Fund.

From \$1,975,498 to \$1,875,498 in total for the section.

Section 9.520

I hereby veto \$750,000 general revenue for a community services treatment program. These funds were not requested by the Department of Corrections. Over the past several years, the Department of Corrections has invested in intensive probation and parole supervision and other community sentencing initiatives that address this need. This veto will leave \$250,000 for a pilot project that should be implemented and evaluated before an additional expansion is undertaken.

For the purpose of funding Community Services Treatment Program pilot projects in Northwest Missouri, the six counties comprising the bootheel area of Southeast Missouri and in St. Louis City by \$750,000 from \$1,000,000 to \$250,000.

From \$1,000,000 to \$250,000 in total from General Revenue Fund.

From \$1,000,000 to \$250,000 in total for the section.

On June 22, 1999, I approved said Conference Committee Substitute for House Bill No. 9, except for those items specifically vetoed and not approved.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for House Bill No. 11 entitled:

"AN ACT"

To appropriate money for the expenses, grants, and distributions of the Department of Social Services and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 1999 and ending June 30, 2000.

Section 11.050

I hereby veto \$582,959 to replace a shortfall in child support enforcement collections with new fees. The intent of this appropriation would impose fees for all non-TANF clients, but there is no consensus on how to implement or collect these fees, and it is unclear under current statutory guidelines if there is sufficient authority to charge fees of this magnitude. Furthermore, these fees may increase total state revenue and would provide an additional financial burden to low-income parents already struggling to meet their child support responsibilities. In addition, the state would be expected to pay the federal government 66 percent of any fees thus markedly decreasing the state's benefit.

Personal Service and/or Expense and Equipment by \$582,959 from \$582,959 to \$0 in total from Child Support Enforcement Collections Fund.

From \$35,488,976 to \$34,906,017 in total for the section.

Section 11.055

I hereby veto \$5,558 to replace a shortfall in child support enforcement collections with new fees. The intent of this appropriation would impose fees for all non-TANF clients, but there is no consensus on how to implement or collect these fees, and it is unclear under current statutory guidelines if there is sufficient authority to charge fees of this magnitude. Furthermore, these fees may increase total state revenue and would provide an additional financial burden to low-income parents already struggling to meet their child support responsibilities. In addition, the state would be expected to pay the federal government 66 percent of any fees thus markedly decreasing the state's benefit.

Expense and Equipment by \$5,558 from \$5,558 to \$0 in total from Child Support Enforcement Collections Fund.

From \$7,703,658 to \$7,698,100 in total for the section.

Section 11.060

I hereby veto \$146,074 to replace a shortfall in child support enforcement collections with new fees. The intent of this appropriation would impose fees for all non-TANF clients, but there is no consensus on how to implement or collect these fees, and it is unclear under current statutory guidelines if there is sufficient authority to charge fees of this magnitude. Furthermore, these fees may increase total state revenue and would provide an additional financial burden to low-income parents already struggling to meet their child support responsibilities. In addition, the state would be expected to pay the federal government 66 percent of any fees thus markedly decreasing the state's benefit.

Personal Service by \$146,074 from \$146,074 to \$0 in total from Child Support Enforcement Collections Fund.

From \$6,229,051 to \$6,082,977 in total for the section.

Section 11.065

I hereby veto \$820,864, including \$75,000 general revenue, for expansion of the MARCH program into two additional judicial circuits and replacement of a shortfall in child support enforcement collections with new fees. The funds for the MARCH program expansion were not requested by the Department of Social Services. It is premature to expand this program with general revenue given the financial position of the child support enforcement collections fund. The intent of this appropriation would impose fees for all non-TANF clients, but there is no consensus on how to implement or collect these fees, and it is unclear under current statutory guidelines if there is sufficient authority to charge fees of this magnitude. Furthermore, these fees may increase total state revenue and would provide an additional financial burden to low-income parents already struggling to meet their child support responsibilities. In addition, the state would be expected to pay the federal government 66 percent of any fees thus markedly decreasing the state's benefit.

Expense and Equipment by \$75,000 from \$2,129,358 to \$2,054,358 from General Revenue Fund.

From \$3,215,489 to \$3,140,489 in total from the General Revenue Fund.

Expense and Equipment by \$470,042 from \$3,577,528 to \$3,107,486 from Child Support Enforcement Collections Fund.

Personal Service and/or Expense and Equipment by \$275,822 from \$341,790 to \$65,968 from Child Support Enforcement Collections Fund.

From \$11,162,892 to \$10,417,028 in total from the Child Support Enforcement Collections Fund.

From \$48,407,842 to \$47,586,978 in total for the section.

#### Section 11.305

I hereby veto \$100,000 general revenue for textbooks and other educational materials. These funds were not requested by the Department of Social Services. Currently, money for textbooks and educational materials is provided through funds received from the Department of Elementary and Secondary Education, which are sufficient to meet existing need.

Expense and Equipment by \$100,000 from \$3,915,670 to \$3,815,670 from General Revenue Fund.

From \$33,794,901 to \$33,694,901 in total from General Revenue Fund.

From \$51,744,126 to \$51,644,126 in total for the section.

#### Section 11.447

I hereby veto \$2,500,000, including \$1,000,000 general revenue, for funding a pilot project that would institute a case-mix reimbursement system for nursing facilities. The amount appropriated for this purpose is arbitrary and not based on a budgetary cost estimate for this program. This type of reimbursement system would drastically change the current reimbursement method and could have significant budgetary implications for the state in the future. The administrative costs alone for implementing and monitoring this new reimbursement method could be substantial. Additional study of this reimbursement methodology is needed to determine whether it is a feasible and financially viable option in Missouri before money is spent to implement such a program.

Said section is vetoed in its entirety from \$1,000,000 to \$0 in total from General Revenue Fund.

From \$1,500,000 to \$0 in total from Federal Funds.

From \$2,500,000 to \$0 in total for the section.

#### Section 11.465

I hereby veto \$139,999,999 other funds for funding payments to hospitals under the Federal Reimbursement Allowance Program. The appropriation is being reduced to reflect the anticipated spending level.

Program Specific Distribution by \$139,999,999 from \$140,000,000E to \$1E in total from Federal Reimbursement Allowance Fund.

From \$353,000,000E to \$213,000,001E in total for the section.

#### Section 11.505

I hereby veto \$85,999,999 other funds for funding payments to nursing facilities under the Nursing Facility Federal

Reimbursement Allowance Program. The appropriation is being reduced to reflect the anticipated spending level.

Program Specific Distribution by \$85,999,999 from \$86,000,000E to \$1E in total from Nursing Facility Federal Reimbursement Allowance Fund.

From \$216,000,000E to \$130,000,001E in total for the section.

On June 22, 1999, I approved said Conference Committee Substitute for House Bill No. 11, except for those items specifically vetoed and not approved.

Herewith I return to you Senate Committee Substitute for House Committee Substitute for House Bill No. 60 entitled:

"AN ACT"

To repeal sections 301.080, 301.192, 301.215, 301.300, 301.340, 301.370 and 301.711, RSMo 1994, sections 301.020, 301.129, 301.131, 301.132, 301.142, 301.145, 301.191, 301.441, 301.443, 301.444, 301.445, 301.447, 301.448, 301.449, 301.451, 301.453, 301.454, 301.456, 301.457, 301.458, 301.459, 301.461, 301.462, 301.463, 301.464, 301.465, 301.466, 301.564 and 301.800, RSMo Supp. 1998, section 301.064 as enacted by both senate bill no. 3 and senate bill no. 70 of the 1st regular session of the 88th general assembly, and section 301.064, as enacted by house bill no. 769 of the 1st regular session of the 89th general assembly, as both sections appear in RSMo, Supp. 1998, and section 301.144, as enacted by both senate bill no. 3 and senate bill no. 70 of the 1st regular session of the 88th general assembly, as both sections appear in the RSMo, Supp. 1998, relating to motor vehicle license plates, and to enact in lieu thereof fifty new sections relating to the same subject, with penalty provisions.

I disapprove of Senate Committee Substitute for House Committee Substitute for House Bill No. 60. My reasons for disapproval are as follows:

While the title of the bill states that it is an act "...relating to motor vehicle license plates..." it contains provisions creating a "Missouri Alternatives to Abortion Support Fund" and a "Missouri Respect Life Commission" in the Office of Administration. The bill also purports to create duties and responsibilities of the Commission as well as an appointment process for the members of the Commission.

These provisions are clearly unrelated to motor vehicle license plates. The use of a license plate bill to create a lobbying organization is inappropriate and in this particular act most likely in violation of Article III Section 23, of the Missouri constitution which states:

"No bill shall contain more than one subject which shall be clearly expressed in its title..."

For all of the above stated reasons for disapproval, I am returning Senate Committee Substitute for House Committee

Substitute for House Bill No. 60 without my approval.

Herewith I return to you Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 267 entitled:

"AN ACT"

To repeal sections 311.091, 311.093, 311.178, 311.210, 311.220, 311.293, 311.298, 311.328, 311.329 and 311.660, RSMo 1994, and sections 311.098, 311.102, 311.200, 311.260, 311.300 and 311.680, RSMo Supp. 1998, relating to the division of liquor control, and to enact in lieu thereof sixteen new sections relating to the same subject, with penalty provisions.

I disapprove of Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 267. My reasons for disapproval are as follows:

The bill would require the State Supervisor of the Division of Liquor Control to enact guidelines for local law enforcement to follow when conducting an investigation related to the sale of liquor to minors. House Bill No. 267 restricts the occurrence of these investigations to once every six months. In addition, the bill prohibits the State Supervisor of Liquor Control from taking disciplinary action against the vendor if standards on use of minors are not followed by the state, local, county, municipal or other local law enforcement authority. While I believe guidelines related to these investigations to be useful to law enforcement and liquor vendors, the guidelines as they appear in this bill do not provide local law enforcement the flexibility they need to combat the serious problem of underage drinking in their community.

In addition, the bill prohibits political subdivisions, except Kansas City, from imposing a liquor license disciplinary action against a licensee that exceeds the disciplinary action imposed by the Supervisor of Liquor Control arising out of the same incident, incidents or same violation. This provision also removes the flexibility needed by communities to determine the appropriate regulation of the sale of liquor in their cities and towns.

For all of the above state reasons for disapproval, I am returning Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 267 without my approval.

Herewith I return to you Senate Substitute No. 3 for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 427, 40, 196 & 404 entitled:

"AN ACT"

To amend chapter 565, RSMo, relating to offenses against the person by adding thereto one new section relating to infanticide, with a penalty provision.

I disapprove of Senate Substitute No. 3 for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 427, 40, 196 & 404. Not only is this bill poorly written and dangerously flawed, it is deceptive and extreme. According to some of its proponents, the bill was originally intended to ban "partial birth" or late term abortions. However, in its final form, the bill is much broader. In fact, referring to this bill as a ban on "partial birth" abortions is a gross mischaracterization of the intent and ramifications of this final legislation. Certainly, advocates of a woman's right to choose will be outraged by the bill's attempt to establish severe criminal penalties for undergoing the safest and most commonplace abortion procedures even as early as the fifth and sixth week of pregnancy. But just as certainly, many persons who oppose a woman's right to choose will find the provisions and consequences - whether intended or not by its authors - of this bill unacceptable and irresponsible.

My reasons for disapproval are as follows:

- 1) This bill goes far beyond banning "partial birth" or "late term" abortions. The bill bans some of the safest and most commonplace first and second trimester abortion procedures. I have said repeatedly that I would sign a bill banning "partial birth" abortions (assuming it included an exception to safeguard the mother's health). Unfortunately, the legislature chose not to send me such a bill and, instead, sent me a bill seeking to outlaw many abortions that are now safely and legally performed in the first few weeks of pregnancy. The bill achieves this objective largely by deception. It assigns definitions that are far removed from and counter-intuitive to the plain and ordinary meanings of the terms being defined. For example, the bill's definition of "living infant" includes stages of development prior to viability and as early as the embryonic stage of the fifth or sixth week of pregnancy. Similarly, the terms "born" and "partially born," as defined by this bill, are unrelated to the notion of an infant being outside or partially outside the mother's body, or for that matter, to virtually any other stage of fetal development.
- 2) The bill attempts to intimidate women seeking abortions in the early stages of pregnancy by outlawing the use of the safest procedures and leaving available only procedures that pose a greater risk to the woman's life and health.
- 3) As some of the bill's proponents have acknowledged, this bill is specifically intended to violate Constitutional rights recognized by the U.S. Supreme Court in its decision in Roe v. Wade and thereby precipitate a challenge to those rights.
- 4) This abortion ban fails to include an exception for medical emergencies or for preserving the health of the mother. A health exception is both constitutionally and ethically essential. The U.S. Supreme Court has repeatedly stated that legislation limiting abortions must include a health exception.
- 5) This bill criminalizes innocent women who are forced to make difficult health decisions. More specifically, the bill provides for severe criminal penalties - including sentences of up to life in prison - for a woman who undergoes an abortion procedure in violation of this bill, the physician who performs such a procedure, the medical personnel who assists the physician in performing such a procedure, and anyone who assists the woman in obtaining such a procedure. Thus, without a health exception, the bill allows an anti-choice prosecutor to criminally charge a woman who undergoes a medically safe abortion procedure banned by this bill, even if the procedure is done in the early stages of pregnancy and is essential to protect the woman's health.
- 6) This abortion ban fails to include an exception for rape or incest. Such an exception is ethically essential and has special implications for children. A child impregnated through incest or rape may not realize she is pregnant until the safest procedures medically available to her are those outlawed by this bill.
- 7) The bill fails to make clear which activities or conduct by a woman or her health care provider (including ob/gyn's, neonatologists, emergency room physicians, or nurses) will continue to be legally protected and which will make them subject to criminal prosecution. Not only is such vagueness dangerous and unconstitutional, it also has the effect of limiting patient access to legal abortions since health care workers who cannot determine in advance which conduct is illegal will be reluctant to engage in any conduct that an over zealous anti-choice prosecutor, relying on the vagueness of the bill, might allege is illegal. The same prosecutor might subject them to lengthy grand jury investigation even if the health care providers are not guilty pursuant to the provisions of this bill.

8) Perhaps most outrageously of all, this bill will allow someone to legally commit acts of violence, including a lethal act against a physician, nurse or patient in order to prevent the termination of a pregnancy by a procedure which the attacker reasonably believes would be a violation of this bill. The woman, physician, nurse, or other medical care provider could legally be the target of such violence because this bill has been included in the criminal code section of the statutes. In fact, the bill specifically references the chapter which permits such action. It is unclear whether this was or was not intended by the bill's authors. However, as some local prosecutors have recently noted this is a clear consequence of the bill, nonetheless.

For all of the above stated reasons for disapproval, I am returning you Senate Substitute No. 3 for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bills Nos. 427, 40, 196 & 404 without my approval.

Herewith I return to you Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 793 entitled:

"AN ACT"

To repeal sections 313.270, 313.805, 313.807, 313.812, 313.815, 313.817, 313.822, 313.830 and 572.010, RSMo 1994, and section 313.807, as reprinted in RSMo Supp. 1998, relating to gaming, and to enact in lieu thereof sixteen new sections relating to the same subject, with penalty provisions.

I disapprove of Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 793. My reasons for disapproval are as follows:

The Staff of the Gaming Commission has recommended I veto the bill for the following reasons:

The most significant concern is that the bill appears to allow anyone to play a non-device based game of skill that confers noncash prizes, toys, novelties, coupons, or other representations of value which may be redeemed on the premises for something of value in the form of prizes, toys, or novelties but shall specifically exclude cash, gift certificates, intoxicating beer or liquor, nonintoxicating beer or tobacco products.

The something of value shall not exceed \$250 as determined by the cost to the owner or manager of the premise. It appears that this language, contained in the 572.010 amendments, would allow casino style games, such as blackjack or poker, to be played for prizes not exceeding \$250.

The restriction that the games may not resemble slot machines or games authorized by the riverboat gaming act only applies to "redemption devices". Therefore, someone could play a "game" that is not a "device" using chips to be redeemed for noncash prizes of \$250 or less. This could be construed to be an expansion of legalized gambling.

It is unclear whether the prize limit of \$250 applies to a single sitting or to each hand in a card game. One could argue that a player could win (and thus lose) \$250 per hand, which is far higher stakes than occurs on Missouri riverboats. With these games there is no \$500 loss limit.

There is no regulatory oversight of any of the games. There is no age restriction, no prohibition against the involvement of felons and no audit procedures for any of these games. In addition, the proceeds are not taxed like all other forms of legal gambling.

The prohibition on the sale or transfer of prizes for cash or any other consideration would be almost impossible to enforce. The failure of many local officials to enforce the relatively straightforward statutes dealing with slot machines is indicative of the enforcement problems that can be anticipated.

The regulatory scheme for riverboat casinos requires strict accountability for how games are conducted and for the security of gambling paraphernalia to ensure those participating in such games are treated fairly. If our analysis is correct, gambling games of skill could be offered anywhere in the state, with absolutely no controls except the \$250 limit on "something of value".

While we are disappointed that a veto will result in losing the important provisions for problem gamblers, minors in the casino and the regulation of raffles, we cannot in good conscience recommend that the bill be signed given flaws in the Chapter 572 amendments.

As a result of this recommendation I must veto HB 793.

For all of the above stated reasons for disapproval, I am returning Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 793 without my approval.

Herewith I return to you House Bill No. 929 entitled:

"AN ACT"

Relating to open burning of household refuse in certain counties.

I disapprove of House Bill No. 929. My reasons for disapproval are as follows:

The risk of sanctions by the EPA is too great to take a permanent step such as this. I have been informed that the Missouri Department of Natural Resources may permit such burning by rule. Given the greater flexibility in rulemaking and the risk for sanctions against other commercial businesses in the area, I must disapprove this bill.

For all of the above stated reasons for disapproval, I am returning House Bill No. 929 without my approval.
